R.C. No. 484/B & G. of 1916.

Station Trichinopoly , Dated the 23rd June 1916. 191

From (Name) H. S. Lloyd, Esq., I.C.S.,
(Designation) collector of Trichinopoly,

To the Secretary to the Government of Madras
Educational Department.
Ootacamund.

Sir,

In continuation of my letter R.C.No.484/B & G. of 1916, dated 5th June 1916, reporting on the steps taken for the acquisition of the lands required for the extension of the G.P.C. College buildings and the construction of a hostel attached to the college, I have the honour to state that the owner of the site has presented a notice of suit objecting to the acquisition proceedings on the following grounds:--

(a) that the provisions of the Land Acquisition Act can be applied only if the whole or portion of the value were to be paid from the public revenue and that mere contribution from Government from the public revenue for the

school

2

school-building cannot be treated as entitling them to acquire the land under the Act;

(b) that the garden in question is in the heart of the Town and that its special adaptability as house-site is to be considered; and

(c) that the procedure prescribed under section 4 of the Act was not followed in this case and that, in the absence of a notification in the official Gazette under this section, the entry of the Survey and Revenue Officers on the land cannot be justified.

2. As regards the first objection, so long as the Government is contributing $\frac{1}{2}$ of the actual cost of acquisition, the application of the Land Acquisition Act to the present case is legal. The second objection cannot be considered now, as it is purely a matter for the decision of the acquisition officer. In order to legalise the entry upon the land for taking preliminary measurements for valuation purposes, I have the honour to forward herewith a draft notification under section 4 of the Land Acquisition Act for favour of approval and publication in the Port Saint George Gazette. This seems necessary although the Divisional Officer, Trichinopoly, has reported that the lands have already been sub-divided.

3. The Divisional Officer further reports that he has called on the Tahsildar to furnish certain particulars in order to arrive at a correct valuation of the site. He has been requested to expedite his reply. The draft declaration will be submitted to Government as soon as it is received from him.

I have the honour to be,
Sir,
Your most obedient servant,

Draft Notification.

Whereas it appears to the Government that a portion of Town Survey No. 2566 known as the "Singaratope Garden" situated in the 4th ward of the Trichinopoly Municipality is likely to be needed for the purpose of extending the S.P.G. College buildings and for the construction of a Hostel attached to the College, notice to that effect is hereby given to all whom it may concern in accordance with the provisions of section 4(1) of the Land Acquisition Act I of 1894, and His Excellency the Governor in Council hereby authorises the Tahsildar of ^{the} Trichinopoly Taluk, the Town Surveyor of the Trichinopoly Municipality and their staff and workmen to exercise the powers conferred by section 4(2) of the said Act.

OFFICE NOTE.

SUBJECT. Acquisition of land for the S. P. G. college buildings, Trichinopoly.

From the Collr of Trichinopoly cr^o 484, dated the 23rd June 1916.

Register No. 2206.

Submitted that the draft notification received from the Collr of Trichinopoly may be published in the Fort St George Gazette in the circumstances explained in paras 1 and 2 of the Collr's letter.

2. It is more for the Chairman of the Trichinopoly Municipal Council and the Collr of Trichinopoly than for the land acquisition officer to say whether the site in question is suitable for the construction of houses. It does not, however, appear that on this ground the Govt. will reconsider their order (G. O. cr^o 389 Bd, of the 6-4-16) directing the acquisition of the site in question which was considered to be the only suitable one for the extension of the S. P. G. college.
