OFFICE NOTE.

SUBJECT.

Improvements to certain playgrounds
in the city of Madras

From

The D.P. J. no 10329 of 8.1.16

Register No.

109 Sol.

As directed by the Govt. the D.P. J. submit plans and estimates for improvements to two of the playgrounds referred to in the order of the Government dated 18.12.14. The cost of improvements to the playground in question is now estimated at Rs. 1,400 and Rs. 1,150 against Rs. 6,000 and Rs. 19,000 put down by the Committee in 1914. Apparently the Committee's estimates included the adaptation of the grounds for specific games, while the present estimates provide only for the levelling of the grounds. The estimates do not seem open to objection.

2. As regards the question of ^{administrative} approval to estimates it is observed that under memo no 3626 C., dated the 28th April 1913, the D.P. J. is competent to accord such approval to original works ~~costing Rs. 2,500 and less~~, executed out of the P. W. grant up to a limit of Rs. 2,500. In the present case as the land belongs to the allotments for their improvements will have to be made in the P. W. budget and the improvements

executed by that department. As the estimates in the present ^{instance} ~~case~~ are below Rs. 2,500 ^{in each case} the Director may, it appears, accord approval to the works. If so they may be returned to him.

3. ^{regards} As the question of funds, the cost of acquisition of the lands in 1914-15 was debited to the Imperial grant of 49 lakhs - p. 16 of notes with G.O. no 1448 Edl, dated the 18th December, 1914. There appears to be no special provision in the current year or the next for meeting the cost of the improvements. The Director may be asked to state how he proposes to find the funds.

4. A draft order is submitted for approval.
