the Accountant General/

Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government for the employment from 1st March 1917 of an additional teacher on Rs.12 per mensem in the Government Elementary school for boys, Chandrapatla in the Nugur Taluk of the Godavari Agency.

2. There is at present one teacher on Rs.15 in the school and the Government Agent reports that the present strength and average attendance have now risen to 53 and 46 respectively and that it is difficult for a single teacher

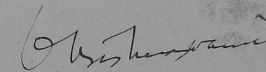

to manage the school efficiently. He therefore recommends under rule 81 of the Madras Educational Rules the employment of an additional teacher on Rs.12 per mensem, this rate of pay being fixed by him in consideration of the facts that Chandrapatla is in a remote part of the division, that its climate is bad and that provisions could be obtained only with great difficulty. The Inspector of Schools, First Circle, whom I have consulted strongly supports the Government Agent's recommendation.

As there is no provision in the current year's budget from which the extra charge can be met it is proposed to incur it only from 1st March 1917. Should Government approve the proposal I shall include the necessary provision in the Budget estimate of 1917-18.

I have the honour to be,

Sir,

Your most obedient servant,

for Director of Public Instruction.
