GOVERNMENT OF MADRAS
EDUCATIONAL DEPARTMENT

READ—the following paper :—

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 23rd June 1916.

No.—Ref. on Cur. 4392.

The Madras Progressive Union Secondary School, Georgetown, is now located within the premises shown in red lines in the enclosed survey plan and bearing re-survey Nos. 6954, 6955 and a portion of No. 6956. As the strength of the school has greatly increased, the present accommodation is found to be quite insufficient. With a view to providing additional accommodation, the authorities of the school propose to acquire the house and site bearing re-survey No. 6966 which adjoins the present premises. They state that the owner of this site demands an exorbitant price and that it is not possible to purchase it by private negotiations. They also state that the owner has a minor son. For these reasons they request that it may be acquired under the Land Acquisition Act so as to secure an indefeasible title. The authorities are prepared to pay now the whole cost of acquisition and request permission to submit an application for grant after the termination of the war. In these circumstances, I have the honour to recommend that the site in question may be acquired under the Land Acquisition Act and that a nominal grant of Rs. 100 may be sanctioned in order that the Act may be made applicable.

Order—No. 771, Educational, dated 13th July 1916.

The Government consider that the site required by the authorities of the Madras Progressive Union Secondary School for extending the school buildings and specified in the sketch submitted by the Director of Public Instruction should be acquired under the Land Acquisition Act. A grant of Rs. 100 will be sanctioned from Provincial funds towards the cost of the acquisition under the proviso to sub-section (1) of section 6 of the Act.

2. The authorities of the school will be permitted to apply for additional grant towards the cost of acquisition after the close of the war on the distinct understanding that the permission carries with it no promise of a grant.

3. The Collector of Madras will be requested to report the approximate cost of the acquisition and to submit, at an early date, a draft notification for publication under section 6 of the Act.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O. No. 771, EDUCATIONAL,
DATED THE 13TH JULY 1916.

[SUBJECT.—Acquisition of a site for the Madras Progressive Union
Secondary school.]

From the Director of Public Instruction, No. 4392, dated
the 23rd June 1916.

Please see G.O. No. 599, Educational, dated the 27th June 1913, for the general principles governing the application of Land Acquisition Act to obtain lands for private educational institutions. As the owner of the site in question demands an exorbitant price, it is reported that it is not possible to purchase it by private negotiations. It is also stated that the owner has a minor son. As the owner does not seem to have any objection to part with the land except on the score of compensation, it is submitted that the land may be acquired under the Act, leaving the acquiring officer and the civil court to settle the amount of the compensation.

2. Under the proviso to section 6 (1) of the Land Acquisition Act no acquisition of land should be made unless the compensation to be awarded for the property is to be paid by a company, or wholly or partly out of public revenues or some fund controlled or managed by a local authority. It is therefore submitted that the Director of Public Instruction's proposal to sanction a nominal grant of Rs. 100 towards the cost of acquisition may be sanctioned. For a precedent please see paragraph 1 of G.O. No. 307, Educational, dated the 24th June 1903.

3. There seems to be no objection to permit the authorities of the school in question to apply after the termination of the war for additional grant towards the cost of the acquisition on the distinct understanding that the permission carries with it no promise of a grant—compare paragraph 3 of G.O. No. 592, Educational, dated the 29th May 1916.

4. A draft order is submitted which may issue with the concurrence of the Revenue Department.
