(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
E d u c a t i o n a l Department.

Sir,

In their order No. 1430 Edl., dated 16th December 1915, Government sanctioned the proposal to open a lower Elementary training school for Muhammadans at Vellore for a period of three years from the 1st April 1916. The Inspector of Schools, 5th Circle, now reports that no suitable building is available at Vellore for the location of the school, and both he and the Inspector of European and Training Schools therefore recommend that the school be located at Arcot (16 miles from Vellore) where the old Taluk Cutcherry building which is situated near the Muhammadan quarters and

Est

which is now vacant is available and where the Board Muhammadan school in the locality which has 100 pupils and five teachers will serve as a model school.

In the circumstances set forth above, I support the Inspector's proposal and accordingly have the honour to request that you will be so good as to obtain the sanction of Government for locating the training school in the old cutcherry building at Arcot instead of at Vellore. I beg to add that in view of the urgency of the matter the Inspector of European and Training Schools has in anticipation of sanction addressed the Executive Engineer in regard to the handing over of a portion of the Taluk cutcherry building at Arcot for the use of this Department.

I have the honour to be,

Sir,

Your most obedient servant,

for Director of Public Instruction.
