PUBLIC WORKS DEPARTMENT.

C. NO. 1264 A. D.

DATE, 21-5-1916

To

The Chief Engineer, P.W.D.

M A D R A S.

Through the Proper Channel & Ex. Engineer, Cauvery Division.

Honoured Sir,

I beg to bring the following few lines to your kind --  
consideration and favourable orders.

I am a Draftsman trained in the College of Engineering  
Madras and I hold a proficiency certificate. I was holding --  
an ever-temporary place in the Temporary Draftsman Establish-  
ment of this Circle, and was serving in the Cauvery Division.  
But owing to the reduction in the temporary establishment, my  
services were dispensed with from the 1st April 1916 (vide ---  
copy of memo enclosed). I was therefore driven to the necessa-  
ry of taking up an acting place in the Vennar Division which -  
has fallen vacant owing to a permanent incumbent taking leave  
for two months. Ever since I completed the draftsman's course  
in the Civil Engineering College, Madras, I was holding tempo-  
rary and quasipermanent draftsman's place in this Department -  
in the undermentioned Division Offices under various Executive  
Engineers and I can say that I have served to their satisfac-  
tion.

**T**urnool Division Office. from 15th June 1909 to 5th June 12  
Ganjam -do- from 7th June 12 to 29th Jan. 14.  
Cauvery -do- from 3rd Feb. 14 to 15th March 16.  
Vennar -do- from 15th March 16 to date.

I was disabled to appear for the draftsman test again -  
for getting a pass as this course of study was stopped and as  
new classes have been opened in the Civil Engineering College  
Madras. Further, the chances for appearing for the draftsman  
test was restricted during the close of the draftsman's course  
of training in the College of Engineering, Madras.

During the course of my services as stated above for a

period of 8 years there were permanent vacancies for which I was eligible and which should have been given to me in the --- right claim of seniority.

In spite of my having been granted a proficiency certificate by the Engineering College authorities, I was not ----- given the permanent vacancies for the reason that I do not --- hold a pass even though I have worked better than passed men.

As at present, it would appear that I have to go empty-handed soon after the acting appointment ceases, and I have to linger for a future vacancy in this Department, even after a service of 8 long years in the ever-temporary places. To ---- avoid this kind of <sup>anxiety</sup> ~~worry~~ and disappointment, I beg to request that you will graciously be pleased to recommend to Government and get a permanent exemption so as to help me in securing a permanent footing in this and other Departments.

It will not be out of place to mention that this kind of exemption has been granted to many men like me and almost all of them have secured permanent footing in this Department. There are cases wherein exemption have been granted in the --- last year also.

I pray therefore that you will be pleased to move the Government to grant permanent exemption in my case under the above circumstances, so that I may secure a permanent footing in this Department and have a better outlook in my future career.

I shall feel ever highly grateful for this kind of ---  
favour bestowed on me.

I beg to remain,

Sir,

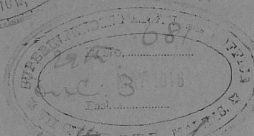

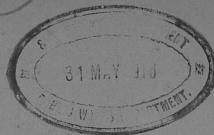

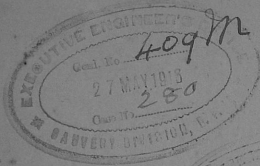

Your most obedient servant,

J. S. Ozthman & Son

2 Please see the Proficiency Certificate granted to the candidate by the Engineering College, Madras. He has earned generally good remarks "in all subjects except Estimating" in which, it is stated, that he was poor.

He has put in about seven years' service in this Department with certain interruptions. ~~He has served~~ The SE VII Circle, under whom he has served for about two years recommends that the exemption sought for

may be granted. In the circumstances, it seems that the application may be transferred to the Educational Dept. with a request that the exemption may be sanctioned. For a precedent, please see

Presumably the S.E. intends to take him on to the permanent establishment in case he is exempted

The proficiency certificate is nothing much to boast about, but the man is apparently a good draftsman, and such men always be useful in the R.W.D. I recommend his exemption -
