SIR,

With reference to your letter No. 318 Edl. 2. The Mysore Durbar wish to have copies of the two manuscripts in Devanagari and in Telugu characters of the Arthasastra of Kautilya, as the Inspector-General of Education in Mysore is of opinion that, for purposes, of thorough collation, it is desirable to have all available copies of manuscripts of the Arthasastra, whether complete or incomplete.

SUBJECT. Supply of Copies of certain MSS in the

From the Honble the Resident in Mysore No 4218 of the 16.6.16

Register No. 2009/10.

(N) Please see letter No. 318 of the 24.3.16, in which the Resident in Mysore was informed that special arrangements ~~will~~ ^{would} be made, if the Mysore Durbar so desired, for sending a copy of the Devanagiri MSS. of the Artha Sastra in the Oriental MSS. Library. The Resident now enquires

(1) whether arrangements can be made for the supply to the Durbar, of a copy of each of the two MSS of the 'Arthasastra', one in Devanagiri and the other in Telugu characters, and (2) what the copying charges are likely to be.

There is no objection to arranging for the supply of copies of both the manuscripts ^{by the Durbar.} ~~registered~~ ^{As the} Durbar wish to have copies of both the MSS (para. 2) it does not seem necessary to inform them in the first instance what the copying charges are likely to be and wait for their consent for the preparation of the copies. Further, the copying charges are most likely

Likely to be much. It is therefore for consideration whether the Curator, Oriental MSS Library may be requested to arrange for the preparation of copies of both the MSS of 'Artilia Sabota'. If so, the draft memo below is for approval.
