Letter from D. T. Chadwick Esq., I.C.S., Director of

Agriculture, Madras.

Dated 8th June 1916

R.O.C. No. 2217-G1.

Reference thereon No. 1174, dated 26th June 1916.

The Director of Agriculture recommends that S. Gurumurti, Typist in the office of the Deputy Director of Agriculture, Northern division, may be exempted from the provisions of Article 1 of the Public Service Notification in order to enable him to be appointed to higher clerical posts in the Agricultural department. He has studied up to the ~~M~~atriculation standard and failed twice in that examination. He was appointed typist in the Deputy Director's Office on 8th September 1911, has since done clerical and account work off and on and has ~~been~~^{even} acted once as Head clerk under the exemption granted by the Board. In fact, he is thoroughly familiar with the clerical and account work of Mr. Hilson's office and has been its mainstay during the frequent changes which have taken place in its clerical posts since his entertainment. The Director refers in this connection to the difficulty generally experienced in finding suitable candidates for filling subordinate clerical posts in the Ceded Districts. Prospects in the office of the Deputy Director of Agriculture are limited and since Gurimurti, though unqualified, has proved himself "a good all-round clerk," the Director considers it advisable to utilize his services in that capacity.

2. In the circumstances explained by the Director,
the Board accepts, as a special case, the recommendation that
S. Gurumurti may be exempted from Article 1 of the Public
Service Notification and requests that Government will be
pleased to accord their sanction to it.
