Supply of Catalogue of books to Dr.
Lucian Scherbaum of Munich

From

The Librarian, Imperial Library, No 653
Dated 7.7.16.

Register No. 2534 Ed.

- (9) The Govt of India in their letter on page 1 of G.O. No. 1325 Ed., Dated 6.12.15, authorised the Librarian, Imperial Library, Calcutta, to collect from all the Provinces, Copies of the Catalogues of books on behalf of Dr. Scherbaum, Munich, and to keep them until after the war when they may be forwarded to him. The Librarian accordingly requested that copies which but for the war would have been sent to Dr. Scherbaum might be sent to him. In reply he was informed that copies of the Catalogues of books registered in this Presidency had never been supplied to Dr. Scherbaum (Vide letter No. 1408 Ed., Dated 13.12.15).

(D) The Librarian now states that he is receiving copies from all the other provinces and requests that if Dr. Scherbaum may be supplied with catalogues of books registered in this Presidency as well, the copies beginning with the first

first quarter of 1914, may be sent to him. As the catalogues are required for the compilation of the "Orientalische Bibliography" which is stated to be a work of great value to scholars (vide p. 1 of L.O. 1408 ^{of the 13.12.15}), it is submitted that the request of the Librarian may be complied with. A draft order is submitted below for approval.
