Grants

Sanctioning the proposals of the Director of Industries for the distribution of a portion of the Imperial grant for industrial education.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from K. T. B. TRESSLER, Esq., Director of Industries.
To—the Secretary to Government, Educational Department.
Dated—Madras, the 14th July 1916.
No.—B-45.

I have the honour to request the sanction of Government to the utilisation of the Imperial grant of Rs. 2,368 out of Rs. 21,000 allotted for the current year towards the payment of special grants for industrial schools as shown below :—

Name of school.	Amount of grant. RS.	Purpose for which the grant is proposed to be given.	Remarks.
Chengalvaraya Naicker's Technical Institute, Madras.	1,800	Purchase of machinery.	...
American Arcot Mission Industrial School, Katpadi.	185	Purchase of tools.	...
All Saints Boys' Industrial School, Putthur.	160	Do.	...
Blind Boys' Industrial School, Palamcottah.	128	Purchase of looms.	...
Wesleyan Mission Lace School, Karur.	95	Purchase of furniture.	The school is unable to contribute any part of the cost.
Total ...	2,368		

2. I have cut my recommendations down to a minimum for two reasons: firstly on account of the financial stringency and secondly because, in default of a definite industrial policy, it is difficult to get value for money. If the whole sum is to be spent, it will necessitate giving grants for purposes and articles which may not be regarded as necessary under the new rules and to schools which may not qualify for grants under these rules. I do not consider, therefore, that any useful purpose would be served by distributing the whole amount among the applicants and would suggest that, if the total sum is to be spent, the balance may be reserved for the construction of the Cocanada school or in connection with the Vizagapatam school proposal.

Order—No. 873, Educational, dated 25th July 1916.

The Government approve the proposals of the Director of Industries for the distribution of a sum of Rs. 2,368 out of the Imperial grant of Rs. 21,000 for industrial and technical education.

2. The Director is requested to see that the articles are purchased and the necessary vouchers are submitted to him for scrutiny and check.
