From the Director of Public Instruction, R.O.C. No. 5362/16, dated the 15th July 1916.

From G.O. No. 726, Educational, dated the 3rd July 1916, it will be seen that the Government have already approved the nominations of the Director for the constitution of a new Board for the award of secondary school-leaving certificates. It is now reported that the non-official gentlemen who are to be members of the Board have agreed to serve on it. It now remains only to appoint the members formally. As however the Board has to be constituted under paragraph III of the secondary school-leaving certificate scheme (page 39 of G.O. No. 427, Educational, dated 21st July 1909), which, as it is, provides for only *eight* members, as against the *ten* now proposed, it was thought that it would be more appropriate to amend the scheme in the first instance and then to appoint the members of the Board. The Director was accordingly requested to submit a draft of the necessary alterations in the scheme. He now states that certain other changes in the scheme are under contemplation and promises to submit later on a consolidated draft notification embodying all the changes.

Paragraph 2 of office-note with G.O. 726, Educational, 3rd July 1916.

Paragraph 3 of G.O. *ibid.*

2. It may however be observed that since the scheme was originally framed by the Government, it is open to them to depart from it and appoint the members of the Board at once, leaving the question of amending the scheme for future consideration. If this view is accepted, the draft below is submitted for approval.
