(2) ~~Information~~ Rajahmundry

Wishes 19 teachers under training at present lacking part

Rs 900, stipendary part Rs 665.

(3) Incomplete Secondary School Turtugiri (Rajahmundry)
with 194 pupils and Rs 346 part.

(4) Allen. High School Peltapur with 584 pupils.
This school received no part last year having made
a deficit of Rs 1000.

(5) A large number elementary schools.

It will be seen that the withdrawal of recognition
from these schools, which means practically their
extinction would be a serious matter from
an educational point of view. I know Mr. Kunder
very well though I have not seen him since the
war began. He is a strong man and capable of
exercising much influence. Since the District
Magistrate is convinced that this is against
Government I would suggest that he be told
that the schools Nos 1 & 3 can no longer
be recognised under his management -

The Peltapur school is managed by Mr H.H. Jai

The District Magistrate might be whether there is
any objection to him - I can't believe

there is any harm in this shade of the
training school for mistresses.

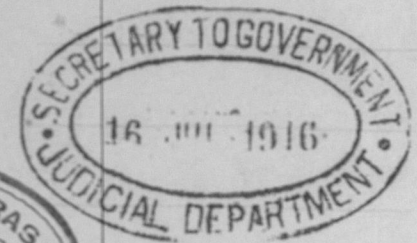

The elementary schools are managed by
K.L. Walters*, R. Anup, J.A. Holmes
E. Kunderffer, Miss Mrs. Dordwick,
Miss I. Schade

* Mr. Walters is in

Of these I know Aughras distinctly. ⁶ Even though I don't ^{know} know his views about the war - I don't decide to disallow any of these as correspondents of schools. We could of course see that people we approved were put in their places but if Kinder e.g. were allowed to go on living & furthering his influence would be just the same. Rather he were formally correspondent of the school or us.
