Station Madras, Dated the 22nd July 1916.

From (Name) K. T. B. Tressler, Esq.,

(Designation) Director of Industries.

To The Secretary to the Government of Madras,
EDUCATIONAL Department.

Sir,

I have the honour to state that considerable difficulty is experienced in cutting up metal at the Madura Technical Institute owing to the absence of a Metal Saw. A machine of this kind is a ~~real~~ necessity in all workshops; but, as the cost exceeds Rs.250/- my limit of sanction, I have to apply to Government for sanction. I accordingly request that the purchase of the machine in question at a cost of Rs.524/- may be sanctioned. The expenditure can be met from the allotment for tools and appliances provided for the School in the current year's budget.

I have the honour to be,
Sir,
Your most obedient servant

Director of Industries.

SUBJECT.

Purchase of a metal sawing machine for the Madura Technical Institute.

It is not clear whether the metal sawing machine is required for metal work in the Madura Technical Institute. In fo. No. 647 Sd., dated the 18th July 1912, passing orders on the scheme for the reorganization of the institute, the Govt decided ~~that the Govt should~~ not to sanction any outlay on endeavours to teach metal work at it. ^{The institute is to teach blacksmithy & mechanical engineering.} Mr. Treasurer states that the metal saw is a necessity in all workshops. The purchase of the machine may therefore perhaps be sanctioned. A draft order is submitted for approval.
