READ—the following paper:—

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 18th July 1916.

No.—C. 5775.

In regard to European schools Government have sanctioned the delegation to the Inspector of European and Training Schools of certain powers previously exercised by the Director of Public Instruction—vide G.O. No. 1105, Educational, dated 22nd September 1914. I have now the honour to request the sanction of Government for the delegation to him of the power to sanction grants under articles 40 and 42 of the Code of Regulations for European Schools. European schools were formerly under different officers (all boys' schools and the girls' high schools under the Inspector of European and Training Schools, and the rest of the girls' schools under the respective Circle Inspectresses), and in order that all the schools might secure uniform treatment and that there might be an equitable distribution of the funds allotted for these grants, it was then necessary for the Director to sanction the grant himself dealing with the demands from the schools as a whole. Now, as all the European schools in the Presidency are under the control of the Inspector of European and Training Schools, and as the principles under which these grants are given are clearly defined, there is no reason why the Inspector should not be able to distribute satisfactorily the budget allotment, taking care to see that the grants are given in strict accordance with the rules and orders of Government or the Director governing their award. I request therefore that the power of sanctioning grants under articles 40 and 42 of the Code of Regulations for European Schools may be delegated to the Inspector of European and Training Schools.

2. If the delegation recommended is sanctioned, a slight change will be required in Appendix VI to the Code of Regulations for European Schools, viz., in the last three paragraphs thereof for "*Director of Public Instruction's Proceedings*" read "*Inspector's order*."

Order—No. 847, Home (Education), dated 7th August 1916.

The Government are pleased to sanction the delegation to the Inspector of European and Training Schools of the power of sanctioning grants under articles 40 and 42 of the Code of Regulations for European Schools. The alteration proposed by the Director of Public Instruction in Appendix VI to the Code is also sanctioned.
