(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

/Through Educational Department.
the Accountant General/

Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government for the employment for a period of one year from 15th July 1916 of two temporary demonstrators on Rs.50 each per mensem in the Government College, Kumbakonam.

2. The Principal reports that in view of the affiliation^x of the College in Branch II A of the B.A. course and of there being 80 students in the Intermediate classes -Group I, the employment of two demonstrators - one qualified in Chemistry to assist the lecturer in Chemistry and the other

x not sanctioned yet.
Post the application is
expected to be before the Senate

PR

A to assist the Lecturer in Physics -- is absolutely necessary. It may be mentioned here that the University Committee who inspected the College and conducted the local enquiry in view to its affiliation in Group II A of the B.A. course were of opinion that the introduction of Physics in the B.A. classes would demand at least one and very preferably two more well qualified assistants and that for Chemistry a Junior lecturer in addition to a demonstrator might be engaged with advantage. I agree with the Principal in thinking that the recommendations of the Committee are rather extravagant and that the immediate needs of the laboratory can be met by the appointment of two temporary demonstrators who will be employed from year to year. I may add that a similar arrangement exists in the Government College, Rajahmundry.

cf. G.O. 1241808

3. The extra charge can be met from the anticipated savings under the provision made for salaries under 22 C. Education-Government Colleges-in the current year's budget.

I have the honour to be,

S i r,

Your most obedient servant,

G. Viswanadham

SUBJECT. Employment of two temporary Demonstrators in the Govt. College, Kumbakonam.

The present staff of the Govt. College, Kumbakonam, consists of a principal in the Indian Educational Service, six lecturers - five in the Provincial Educational Service and one outside that Service - and six assistant lecturers in the Subordinate Educational Service, Collegiate Branch - vide G.O.

③ No. 488 of the 5th May 1915. The college is affiliated at present to

(a) in the intermediate courses in the following groups:-

(i) group (i) - Mathematics, Physics & Chemistry

+ (ii) " (iii) - History, Logic and a second language

(b) in the B.A. degree courses in the following groups -

(i) Mathematics

(ii) Psychology, Ethics, and Logic or a language.

(iii) History and economics

(iv) Languages other than English.

There are thus six subjects to be taught, namely, English, Mathematics, Physics, Chemistry, History and Philosophy and each of them ^(appears to be) in charge of a lecturer and an assistant lecturer.

2. When the college becomes affiliated in branch II A - Physical Science - of the B.A. degree courses some assistance for

for the lecturers and assistant lecturers in Physics and Chemistry would seem to be required. Though the college has not yet been affiliated to the University in branch II-A, of the B. A. course it appears that the class has already been opened, that the application for affiliation is now with the Syndicate and that it may be expected by Govt. before long. In these circumstances the employment of two temporary demonstrators asked for by the D.P.D. may, it is submitted, be sanctioned. For a precedent please
