ARTHUR G. NOEHREN,
PHYSICAL DIRECTOR
ADVISER TO GOVERNMENT ON PHYSICAL EDUCATION.

June 30th, 1916.

The Director of Public Instruction,
Old College,
Nungumbaukum.

Dear Sir,

The character of my work as Advisor to Government on Physical Education, induces me, after careful deliberation, to submit a petition to Government for an advance on my grant, sufficient to provide myself with a good motor-cycle, in view of the following reasons:

(1) To visit regularly for lecturing and inspection purposes, and to conduct practical demonstrations in all the twenty-four schools in Madras, including Saidapet, which are to maintain an improved programme of Physical Education under my immediate supervision, as outlined in my suggested programme of work for the current official year, is, if not physically impossible, at least most difficult and fatiguing, when attempted on a bicycle.

(2) In addition to the above duties, my work necessitates visiting widely-separated playgrounds, not to mention incidental interviews with various school officials.

(3) The loss of time and physical energy entailed in attempting an intensive programme with only one third of my time pledged to Government, without motor facilities, is an economic waste that interferes seriously with my efficiency.

Anticipating the objection that might be raised on the ground ^{of my} giving only one third time to Government, may I say that my Y.M.C.A. work is almost entirely local, not necessitating rapid travelling facilities around the city. The Association, besides, grants me a gharry allowance of Rs. 70/ per mensem and it is this allowance which I propose applying on the purchase of a motor-cycle according to the following plan:

(1) That I insure the motor-cycle against loss or damage,

(2) That I mortgage the motor-cycle to Government against the time when I shall have repaid in full the amount advanced,

(3) That Rs. 65/ (allowing Rs. 5/ for petrol) be withheld from my monthly grant for a period of two years, which, according to the appended cost of motor-cycle and accessories, will liquidate in full the advance made,

(4) That the advance asked for shall include the cost of a side-car to enable my wife to conduct a physical programme in various girls' schools and to make good the loss of gharry facilities.

I have the honour, therefore, to submit a petition to Government for Rs. 1,555 to be repaid in monthly instalments of Rs. 65/ and to be applied as follows:

"B.S.A." Motor-cycle (4 1/4 H.P., -----	Rs. 1,100
Horn -----	20
Lamp -----	60
Side-car -----	300
Insurance -----	75
Total Rs. 1,555/-	

|| The second year's insurance to be paid out of personal funds when due.

I have the honour to be,
Sir,

Submitted to Government and recommended that as a special case an advance of Rs. 1000/- may be sanctioned to Mr. Noehren on the terms proposed by him in his letter dated 30th June 1916 a copy of which is enclosed, except that (i) no advance for the side car can be given and (ii) insurance should be paid for by himself. Mr. Noehren is not a Government servant, though part of his salary is paid by Government for his services as advisor on Physical Education and the value of his services will be greatly enhanced by the possession of a motor bicycle.

The D.P.I. however recommends that as a special case an advance of Rs.1,000 may be sanctioned towards the purchase of a motor cycle without a side car on the ground that the value of his services will be greatly enhanced ~~thereby~~.
