D. O. No. 145

The Old College,

Madras, 25th July 1916.

Dear Mr. Bahadur,

Will you kindly refer to G. O's 609 and 701 Educational dated 2nd and 27th June 1916 which refer to the passing in a second language of Mr. Kershaw, now acting as Additional Professor of Chemistry in the Presidency College.

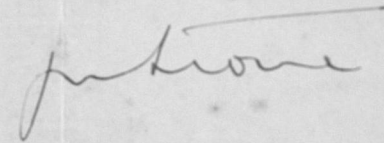

Mr. Kershaw represents that although before his transfer he was studying Tamil, since that transfer he has had no time to continue this. When he was sent to the Presidency College he had done no chemistry for nine years and that ~~science~~ science in that time has of course made great developments. In order, so to speak, catch up he has had to work very hard at Chemistry and to do his teaching work efficiently he will still have to do so. He tells me he often has to read up to midnight. He therefore prays that the time within which he must secure a pass may be extended to July 1917. This will give him a vacation in which to work at Tamil.

002

The existing order places him in a dilemma, he must ^{either} ~~rather~~ neglect his Chemistry work in favour of Tamil or lose an increment.

It will be remembered that he was sent to the Presidency College entirely in the public interest, because no one else was available and not in the least because he desired the transfer.

Yours sincerely,

To

The Hon'ble M. R. Ry. Diwan Bahadur

P. Rajagopala Achariyar, Avargal, C.I.E.,
