HOME (EDUCATION) DEPARTMENT.

From the Director of Public Instruction, dated the 11th July 1916, No. 5178.

The Director of Public Instruction requests sanction for the retention up to 30th June 1918 of the Madras College for Women. The Secretary of State has sanctioned the establishment of the College only as a tentative and experimental measure and the Government of India have called for a report on the results attained

P.R.—24-7-16. | at the College at the end of two years, that is, before the end of July 1917, apparently

with a view to see whether the further retention of the College is necessary—vide the papers with G.O. No. 754, Educational, dated the 9th July 1915. It therefore seems sufficient to sanction the retention of the College for one year more instead of for two years as proposed by the Director of Public Instruction.

Of course the intention of the Government was to make the College a permanent one and the Government have made permanent arrangements regarding accommodation by the acquisition of the Capper House and the lands adjacent to it and by the construction of suitable hostels, etc. With a view to provide instruction in the B.A. (pass) degree courses from July of this year this Government have also addressed the Government of India to obtain the sanction of the Secretary of State to the creation of a lady professorship on Rs. 400 per mensem in the Indian Educational Service and an assistant professorship on Rs. 200 per mensem in the College for a period of two years from the 1st July 1916—vide Letter No. 182, Educational, dated the 18th

P.R.—24-7-16. | February 1916. The Secretary of State's sanction to the proposal has not yet been received.

It would however seem sufficient to sanction the retention of the College for a further period of one year for the present. The necessary provision has been made for the College in the Civil Budget Estimate for 1916-17.

If the above view is accepted, the draft order is submitted for approval. If approved, it may issue with the concurrence of Financial. Perhaps the Director of Public Instruction may be consulted u.o. whether he sees any objection to the draft.
