arrive sooner than he was expected.

2. The conference on female educa-
tion will involve a lot of preliminary
work both in your office and mine
and I suggest that he should be
put on record as to do this.
He could for instance take up the work of

a winter deputation would not be too much.

especially as I hope whether it will be how it will have
everything ready for so early a date.

Yours sincerely

- ① Three months from the 26th April last - G.O. No. 447 of the 7th Feb. 1916. In the ordinary course he was to ~~leave~~ join duty on the 26th July 1916. The Secy of State has, however, wired to say that he is returning now owing to his wife's illness - G.O. No.
- ② 146 R of the 21st June 1916; and this Govt. have replied that they have no objection to his return.
- ③ - G.O. No. 164-65 R of the 2nd July 1916. The reply ^(to the Secy of State on the subject) telegram was despatched on the 1st inst. Assuming that Mr. Littlehales started after the receipt of the telegram on the 2nd inst. and that he took about twenty days for his journey he might be expected to reach Madras ~~about~~ about the 23rd inst. - probably three or four days earlier.
- 2. The Conference on Women's Education is to be held on the 2nd or 4th August next. The Govt of India's circular letter on women's education (pages 2-14) of G.O. No. 466 of the 30-4-16 has been referred to all the ^{district} boards and municipalities as well as to selected officials, non-officials and associations who are interested in female education. Their replies are being received, printed and tabulated in the Madras office. The following statement gives the present stage in which the matter lies: -

St. boards . . . 25	17	8
Officials, non-officials & associations } 34	32	2
Total . . . 127	79	48

3. Before Mr. Littlehales proceeded on leave, he was on special duty for a period of two months and twenty days in connection with the conference of officials and non-officials which met to revise the Grant-in-aid Code and Educational Rules — G.O. No. 90 Dtdy the 29-1-16 + No. 390 Dtdy the 6-4-16.

The range of subjects discussed at that Conference was wide and they included questions of policy affecting elementary and secondary education generally. Besides these, Mr. Littlehales had also to do work connected with the re-arrangement of statistics accompanying the reports on public instruction, the revision of the annual list of educational officers and appointments, and the re-organization of the staff of Govt. girls' schools.

4. Though the work in connection with the proposed conference on women's education is not so extensive as that of the previous Conference, having regard to the importance of the subject, the nature of the opinions which are being received, and the wide nature of India's reference embracing all the important aspects of female education, it seems

It seems desirable to utilize the services of an officer of Mr. Littlehails experience in digesting the opinions received; arranging them and preparing ^{matter for} ~~discussion at the conference~~ ^{discussion at the conference}. Mr. Littlehails has already made a study of female education -

(N) Please see notes recorded in G.O. No. 504-288, the 9-5-16. ^(now prepared by the D.P.Z. for reference) It does not appear that a month is too much for the work proposed to be done. Though a large portion of the work may be completed with the close of the conference, the examination of the decisions of the conference and the formulation of definite recommendations may require some time.

5. Mr. Littlehails was not granted any deputation allowance on the previous occasion and the Director does not propose any now. On the former occasion the extra cost to the Govt. was only about Rs 75 p.m. in view of the fact that the chain of arrangements consequent on the deputation was made by the posting of members of the lower services. The same course will be adopted now also. If he is to be placed on special duty, he may work in the D.P.Z.'s office as on the previous occasion, and as soon as he takes up his duties he will be furnished with all the replies received, for scrutiny.

6. The file may be forwarded to the Financial Dept. No. for remarks in the first

My dear Dewan Bahadur,

I wrote to you the other day from camp suggest-
ing that Littlehales might again be put on special duty
when he returns particularly with a view to the Conference
on Female Education. There are also other ~~three~~ matters
that he might attend to, in particular, the revision of the

- ① Madras Educational Rules. This requires to be done with
considerable thoroughness even apart from modifications
that may have to be made as the result of the recent Con-
ference. The rules for the award of Secondary School
Leaving Certificates will also have to be considerably
altered and this he might supervise. Another matter long
- ② pending is a scheme of reorganization of the staffs of
Government Girls' Schools which he found no time for
before going on leave.

The curtailment of expenditure does not seem
to have made the work of my office less and we are only
just able to keep abreast of current work and without

My dear Dewan Bahadur,

I have just received a private letter from Littlehailes in which he tells me that he is applying for three months extension of leave. If this is granted and I do not think I can recommend that it should not be, the question of his deputation necessarily drops.

2. I am considering whether I can propose any one else, but in the depleted state of the Indian Educational Service I cannot I think find any one in that service.

My dear Diwan Bahadur,

I have been further considering the question of the Female Education Conference and I now propose that Yates, Inspector of Schools in the Ninth Circle, should be appointed a member of it and its Secretary. The official element is at present rather weak in the conference and he would strengthen it. He is also strong on the side of educational theory and European practice and would write a good report. I could arrange to supply his place more easily than any other Indian Educational Service officers. He would have to be deputed for about six weeks from as early a period as possible and should receive a deputation allowance as he will be put to extra expense by coming down from Bangalore.

I propose to hold the Conference on 6th September.

Yours sincerely,

J. S. S.

 + just recalled from
 his file.

p. 9 only

In G. O. No. 866 Edm., d/ the
 12th Aug. 1916 the D. P. D. was
 asked to convene a conference
 early next Sept. to consider the
 question of female education;
 the Director now proposes to
 summon it on the 6th idem.

2 The necessity for putting
 an officer on special duty in
 connection with the conference
 has already been considered by
 Govt. and it was at first intended
 to entrust the work to Mr. Littlehale
 who was to have returned from
 leave towards the end of last
 month. His leave had however to
 be subsequently extended by three
 months from the 26th July 1916, the
 date on which the leave originally
 granted to him expired - vide Govt.

① No. 44 (R), d/ the 7th Feb. 1916 and No.

② 198 (R), d/ the 5th Aug. 1916. The
 Director accordingly proposed
 to ^{write him} ~~specify~~ he could suggest some
 other officer for the purpose.

3 It is now proposed to
 place Mr. J. A. Yates, now acting

para 2 on p. 7 only

(4)

acting Inspector of Schools, IX
 article, on special duty for a period
 of six weeks and to grant him a
 deputation allowance as he will be
 put to extra expenses by having
 to come down to Madras from
 Bangalore.

4 It will be observed that
 while recommending Mr. Littlehewes
 for the work the Director considered
 that a month's deputation would not
 be too much and made no mention
 of deputation allowance. The period
 of six weeks now proposed is
 apparently necessary having regard
 to the importance and the magnitude
 of the work and need not perhaps
 be objected to.

As already noted above,
 since the deputation involves a
 change of station, the grant of
 a deputation allowance of one-fifth
 of the officer's salary, which in
 this case will amount to Rs 200
 p. m., is admissible under art. 81
 of the D.S. R. and may be
 sanctioned.

5 The suggestion to appoint

Mr. Yates a member of the Conference
wishes to be its Secretary and to
strengthen the official element
therein is unobjectionable.
A draft order is
submitted. If approved it may
issue with the concurrence of
the Financial ^{dept} Section.
