To The Secretary to the Government of M a d r a s,

Sir,

*Page 26 of the Eng. Coll.
Calendar for 1916-17.*

Under rule 37 of the rules relating to the constitution and working of the College of Engineering, Madras, candidates for admission into the Probationary Subordinate class must either hold completed Secondary School Leaving Certificates considered by the Principal of the College as satisfactory or must have passed the Matriculation Examination of the Madras University or an examination accepted by the Government as equivalent thereto. The Principal reports that pending the sanction of Government he has admitted one A.R. Chinnappa, who is from Ceylon and who has passed the Cambridge Junior Local Examination with English, Algebra, Geometry, Geometrical Drawing, Heat, Light and Sound as his subjects, and he requests that as

the qualifications of the student are in his opinion above those of the average Secondary School Leaving Certificate holder admitted into the class, sanction may be accorded to the admission of Chinnappa. In the circumstances stated by the Principal I have the honour to recommend that his proposal may be approved.

2. In this connection I beg to request that in order to obviate the necessity for making frequent references to Government you will be so good as to obtain their sanction to the delegation to the Director of the power vested in Government under rule 37 of the College rules and to the substitution of the words "Director of Public Instruction" for the word "GOVERNMENT" occurring in the first sentence of the rule.

I may add that a similar delegation in respect of rule 34 of the College rules was sanctioned in G.O. No. 1112, Educational, dated 24th September 1914.

I have the honour to be,

S i r ,

Your most obedient servant,

For Director of Public Instruction.

Current No. 2315 From the D.P.D. Res. No. 5707/16, dated the 27-7-1916

SUBJECT. Exemption of a candidate from the
education qualification required for admission
to the Eng. College.

① Please see art. 1 (5) (2) of the Public Service Notification
according to which the Cambridge Senior Local examination
is accepted as equivalent to the Madras Matriculation
or the secondary school leaving certificate examination.
A. R. Chinnappa has passed only the Cambridge Junior Local
examination and it is for consideration whether the
D.P.D.'s recommendation in regard to his admission into
the Engineering College may be accepted. It is not, however,
clear why a special concession should be accorded to this
student when the number of qualified candidates who
are natives of this Presidency is always in excess of the
number of vacancies. As the D.P.D. recommends
the admission of the student, it may be presumed that
he has satisfied himself as to his capability.
2. The proposal of the D.P.D. that he may be given the
power now vested in the Govt. of deciding what
examination may be regarded as equivalent to the
examinations already prescribed as qualifications
for admission to the Probationary Subordinate class
seems unobjectionable, especially as the Director
already possesses similar powers in respect of
admission to the Engineer class - vide rule 34 of the
College
