(Designation) Director of Public Instruction

To The Secretary to the Government of Madras,

Educational Department.

/Through the Accountant General/

Sir,

I have the honour to bring to the notice of Government that I have to get through among others the following important matters before the close of the current official year and that extra assistance is necessary for me to carry out the several items of work expeditiously and successfully.

1. The proposed Conference of officials and non-officials to consider the revision of the Grant-in-aid Code and the Educational Rules. Vide my D.O. dated 14th

(N)

② December 1915 in reply to yours No. 913-2 Edl., dated 7th idem.

2. Re-arrangement of the statistics sent up with the annual reports on public Instruction- Vide your D.O. No.25-1 Edl., dated 5th January 1916.

3. The revision of the list of officers of the Educational Department, its punctual publication and the substitution of a quarterly or half-yearly list for the present annual list Vide your Memorandum No. 3290-1 Edl., dated 4th November 1915.

(since removed)
④ 4. The re-organization of the staffs of Government Girls' schools and their scales of pay Vide Memorandum No.2975-2 Edl., dated 9th December 1912.

II. Item 17 I propose to hold this Conference on Monday the 6th March 1916.

The arrangement of the preliminary details and the preparation of the agenda paper will entail much labour. Further I must have a separate Secretary who will take notes of each day's proceedings of the Conference and to whom will be entrusted the preparation of the report based on such notes.

Items 2 - 4. The same officer will be required to attend to these matters after the Conference is over. I have obtained copies of the lists of officers of other Departments and ^{am} considering the question as to how best the suggestion of Government for the revision and punctual publication of the Educational list of officers can be carried out.

A Conference of Inspectresses took place under my presidency on the 21st ultimo, but owing to the heavy work of these officers just before the Christmas holidays it was not found possible to discuss the question of re-organization of the Government Girls' schools in all its bearings, particularly in the sense of the establishment

of any regular cadre of teachers in them, nor the thorough revision of the rates of pay of the staffs and their numerical strength, though some points bearing on the re-organization such as the minimum pay of the teachers in Elementary Girls' schools were ^{dealt} ~~dwelt~~ with. The Conference was mainly engaged in preparing a programme of Girls' schools and training schools for mistresses to be newly started or raised in grade. Consequently I propose to entrust all these matters to a special officer.

I am convinced that it is now only possible for the Deputy Director and the Personal Assistant to keep abreast of the current duties of the office and that the extra work detailed above can only be done and that ineffectively by the permanent establishment to the detriment of their ordinary duties which just at the end of the year are necessarily heavy. In this connection I beg to invite the attention of Government to my letter C.No. 5381, dated 13th June 1914 mentioning the consequences arising from the discontinuance of the post of Special Deputy Director from 1st July 1914.

III. In the light of the facts mentioned above, I have the honour to request the sanction of Government to the deputation for a period of two months with effect from 1st February 1916 of an officer of the Indian Educational Service for special duty in this office without claim to any deputation allowance.

If my proposal is approved I propose to recommend that Mr. R. Littlehailes the present acting Deputy Director be placed on such duty and that Mr. R.G. Grieve, acting Inspector of Schools, 7th Circle be permitted to revert as Deputy Director during this period. I will then fill up his place at Madura by the transfer of an Assistant Inspector in the cadre of the Provincial Educational Service and similarly appoint a Senior Sub-Assistant

Inspector as Assistant Inspector without the payment in both cases of any acting allowance so that the only extra charge entailed by these proposals will be, apart from the incidental travelling expenses, the pay of a probationary Sub-Assistant Inspector aggregating for the two months Rs.150 for which amount I shall submit the usual re-appropriation statement on receipt of orders on this communication.

In conclusion I beg to express the hope that the results aimed at will more than justify the small additional expenditure which my proposals involve and to request the favour of obtaining the early sanction of Government to them.

I have the honour to be,

S i r,

Your most obedient servant,

Director of Public Instruction.

OFFICE NOTE.

SUBJECT. Deputation for a period of two months
from the 1st February 1916 of an officer of the
D. S. S. in the office of the D. P. I.

From The D. P. I. no. 2 of 12-1-16

Register No. 215 Sol

The D. P. I. solicits the sanction of the Govt. for the deputation for a period of two months from the 1st February 1916 of an officer of the D. S. S. for special duty in his office without claim to any deputation allowance. The duties to be entrusted to the Special officer are mentioned in para. I. of the Director's letter. These are examined below serially with a view to see whether they necessitate the ^{proposed} employment of the Special officer.

2. Work connected with the proposed conference of officials and non-officials to consider the revision of the Grant-in-aid Code and the Educational Rules. - Conferences for similar purposes have been held on previous occasions but no special officer appears to have been employed in connection with them. In the present instance, however, various subjects are to be referred to the proposed conference.

and as pointed out in para 3 of D.O. no 913-1 dated the 25th October 1915 it would be necessary to formulate proposals in respect of some of the points to serve as a basis of discussion at the conference. For this work and that described in para II of the Director's current letter a special officer seems necessary.

3. Re-arrangement of the statistics sent up with the annual reports on public instruction.

The Govt. have recently called on the D.I.D. to consider this question. - d.o. no 25-1 Sol, dated the 5th January 1916. As the subject is an important one, it will be preferable to entrust the work to a responsible officer.

4. Revision of the annual list of educational officers and appointments. This work does not seem to require a special officer. It could, it is submitted, be attended to by the office staff. As, however, a special officer is to be employed the proposal to entrust the work to him need not be objected to.

5. Re-organization of the staff of Govt. girls' schools. - Mr. Stone points out that this question could not be considered by the conference of Inspectresses held in December last. The subject is, however, an important one and may be left to be considered by the special officer.

pages 374 of c.f.

6. On the whole a case appears to have been made out for the employment of a special officer. In para. III of his letter Mr. Stone points out that the proposal will involve only Rs 150, besides the incidental travelling allowances. For orders whether it may be approved with the concurrence of Financial. The ~~revenue~~ ^{revenue} appears to be ~~expended~~ ^{expended} and it may not be desirable to ~~postpone~~ ^{postpone} it.

20.1.16. The revision of the Educational Rules and the front-inward Code and the re-organization of the girls' schools have been hanging fire for a long time and it seems to be desirable that some conclusion is reached ^{on them} ~~now~~ without further delay. Opportunity may be taken to entrust to the Special Officer who is necessary to attend to this work, the duty of re-arranging the statistical tables appended to the annual reports and of reducing the size of establishment lists altho' the latter is not ~~an~~ ^{an} urgent item and may stand over for some time. Further, the extra cost involved is so small that an objection ~~need not~~ ^{need not} be raised to the proposal. The Finl. Dept. may therefore be requested to agree to it.

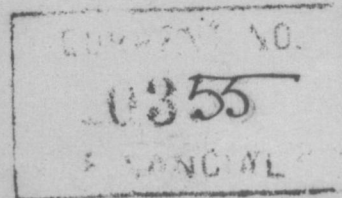

20/1/16.

The proposal is based on substantial grounds and the cost is very moderate. I hope Financial will be able to accept it in spite of the financial stringency.
