To
The Secretary to the Government,
Educational Department,
MADRAS.

Honored Sir,

I most respectfully beg to bring the following few lines
for your benign consideration and favorable orders:-

I underwent a training of two years (during 1911-1912 & -
1912-1913) in the Technical Institute at Trichinopoly and success-
fully completed the course prescribed for Sub-Overseers. Besides,
I have also passed the Government Technical Examinations in the
following subjects and in grades noted against each:-

Serial No.	Subject.	No.	Grade.	Year.
1.	Building Drawing & Estimating.	4179.	Advanced.	1915.
2.	Building Materials & Construction.	3878.	Intermediate.	1913.
3.	Machine Drawing.	3878.	Do.	1913.
4.	Geometrical Drawing.	1344.	Do.	1912.
5.	Surveying & Levelling.	3878.	Do.	1913.
6.	Earthwork & Roadmaking.	3878.	Do.	1913.
7.	Mensuration.	3878.	Do.	1913.
8.	Solid Geometry.	4892.	Elementary	1912.
9.	Free-hand Outline Drawing.	1344.	Do. ✓	1912.

Consequently, I have secured Group Certificates in (i) Drafts-
-man's Group Certificate in Mechanical Drawing, (ii) Mechanical -
Drawing & (iii) Survey. I have also studied up to the Matriculation
Class.

But, as ill luck would have it, I have been declared unquali-
-fied for service in the L.F.Engineering Department and P.W.D. and
other Departments, as I do not possess the certificate from the -
Engineering College. I am therefore unable to secure a permanent
footing in the Public service.

I understand that very recently one S.Rajagopalaiyar, who has passed the Technical Subjects mentioned above has been declared eligible for a Lower Subordinate's place in P.W.D., vide G.O.No.

990 Mis., Edl., dated 10--9--1915. I therefore beg to submit that my case is also similar to his and pray Your Honour would be pleased to consider my hard case and exempt me from passing the Lower Sub-ordinate's Test of the Civil Engineering College.

In conclusion, I respectfully venture to state that there are only a very few candidates who acquire such group certificates - during the course of a half a dozen years and therefore such that are exempted will not stand in the way of other candidates properly qualified.

I beg to remain,
Honored Sir,

Sivaganga, 15--1-1916.

The following statement shows the subjects prescribed for the Lower Subordinate examinations of the College of Engineering, Madras, and the Govt. Technical examinations passed by the applicant:

Subjects for the L.S. class.	Technical examinations passed by the applicant.
1. <u>Drawing</u> , Freehand + Model Drawing.	Freehand Outline Drawing (Elem.)
(b) Geometrical Drawing.	{ Geometrical Drawing (Int.) Solid Geometry (Elem.)
(c) Machine Drawing.	Machine Drawing (Int.)
(d) Building Drawing.	{ Building Drawing and Estimating (Adv.)
(e) Drawing & Estimating.	
(f) Hydraulic Engineering.	- nil -
2. Applied Mechanics.	"
3. Construction.	Building Materials & Construction (Int.)
4. Surveying:	
(a) Chain, Compass, plane table levelling.	{ Surveying & Levelling (Int.)
(b) Theodolite survey.	- nil -
5. Workshop practice.	- " -

2. It will be seen from the above statement that the applicant has not qualified himself in the following subjects:

(1) Hydraulic Engineering.

- (2) Applied mechanics.
- (3) Theodolite surveying and
- (4) workshop practice.

3. It is, therefore, submitted for orders whether the applicant's qualifications may be recognised as equivalent to those of a lowest subordinate of the College of Engineering, Madras.

25.1.1916

From my personal knowledge of the standard required for passing the various Technical examinations in which the applicant has been successful I think he is quite as well qualified educationally as a man who has passed the L.S. test. Building Drawing & estimating advanced is a very difficult test as also Surveying & Levelling Intermediate
