Sir,

In forwarding herewith a copy of the Resolution passed at the Fourth Andhra Conference, held at Cocanada on the 8th, 9th and 10th of May this year, under the presidency of the Hon'ble Rao Bahadur M. Ramachendra Rao Pantulu Garu, I have the honour to submit that the enlightened public opinion in this Country is in favour of a revision of the curricula of studies prescribed for the Girls Schools, so that the education imparted to the students in those schools may be in complete <sup>a</sup> harmony with the national ideals and national culture, and that they may be so trained as to be able to discharge the duties of a wife and a mother and to become enlightened and useful members of the society to which they belong.

✓ I have also the honour to draw your kind attention particularly to the last part of the Resolution and submit that the examination bodies referred to, namely, the Vignanikachendrika Mandali of Chintadripeta, Madras, and Narsapur Taluq Progressive Union of Narsapur, Kistna District, prescribe standard tests for the study of the Telugu language and also of History and other subjects, and hold

examinations in the same in different centres in the Telugu Districts under proper supervision and offer prizes for successful candidates. The standard of knowledge acquired by the students succeeding in those examinations may be considered in no way lower than that of the Primary examination. Hence it is submitted that the successful candidates in those examinations deserve encouragement on the part of the Government by granting admission to them in the Training Schools for Mistresses in order that the examinations may become more popular and the ~~women~~ <sup>women</sup> who, according to the customs of the Country, cannot attend public schools by reason of their age or other causes, may take to private study, and after acquiring necessary education and training become useful both to themselves and to the society.

I have the honour to be,

Sir,

Your most obedient servant,

*H. Venkatappayya*  
Secretary.

### Resolution.

---

This conference is of opinion that the curricula of studies now in force in girls' schools is not satisfactory, and therefore prays that the Government be pleased to appoint a committee, partly of officials and partly of non-officials, for drawing up suitable curricula of studies and for suggesting such other measures as are necessary, for making education for women more useful and popular.

It also prays that some more High Schools for women, in the interests of higher education, be established, as early as possible, in some of the important towns of the Telugu districts.

That the Government may be pleased to hold the successful candidates in the competitive examinations at present conducted by the Vignana Chandrika Mandali Sabha and Narsapur Taluq Progressive Union for the benefit of women, as eligible for admission in the Training Schools for mistresses for being trained as teachers.
