Sir,

put up

I have the honour to submit a copy of my book
entitled "Town Planning in Ancient Dekkan" to which Professor
Patrick Geddes, Town planning expert, has written a valuable
introduction. The Professor considers the work "a most
interesting and useful contribution to the subject for India."

p-2 ct.

The book embodies the result of research in the
literature of the country. It is the first book of its
kind on a subject which is engaging public attention now.
I request the favour of your kindly patronising this origi-
nal publication by granting me an honorarium and by ordering
the purchase of copies of the book for the use of public
libraries.

With much regards,

I have the honour to be,

Sir,
