Question 28.—Is the Government aware that there are no Uriya girls' schools in the important centres of the Goomsur division (Ganjām)?

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department (through the Accountant-General).

Dated—the 26th July 1916.

No.—Ref. on Cur. 3852.

There are at present two Government girls' schools—one for the Hindu and the other for the Muhammadan girls at Russellkonda. The Inspectress of Girls' Schools, Northern Circle, reports that the Uriyas of the place who form the majority of the Hindu population request that a separate Government girls' school may be opened for Uriyas in the town for the reason that the place is purely Uriya and Uriya is the court language, that the existing local aided Uriya girls' school is rather of an ephemeral character and that the manager thereof is prepared to hand it over to Government. It is stated that this school has a staff of two teachers both of whom are untrained and a strength of 35 pupils in standards infant to third. The Inspectress considers the request to be reasonable and accordingly recommends the opening of a Government girls' school in the town with a staff of two teachers on Rs. 15 and 12. The other charges in connection with the school are estimated to be as shown below :—

	RS.
Conductress's wages	24 per annum
Capitation allowance	50 "
House-rent	120 "
Postage	5 "
Other contingencies	24 "
	223

It may also be mentioned that the opening of a Government girls' school for Uriyas at Aska and Russellkonda was recommended at the first Ganjām District Conference held in May 1915.

In these circumstances I have the honour to request that you will be so good as to obtain the sanction of Government for the opening with effect from 1st March 1917 of a Government Uriya girls' school at Russellkonda and the employment therein of two teachers on Rs. 15 and 12.

2. On receipt of the sanction of Government I shall include the necessary provision for the salary of the teachers and for the recurring and non-recurring charges in the budget estimate for 1917-18.

III

Endorsement of the Accountant-General, No. Ganj.-2-8780,
dated 5th August 1916.

Forwarded.

2. There is no audit objection to the proposal being sanctioned.

3. The proposed expenditure is not immediately remunerative and it is for Government to decide whether it is of imperative and immediate necessity (vide Madras Government Confidential Memorandum No. 83494, Financial, dated 23th December 1915).

H. BHIMASENA RAO,
Deputy Accountant-General.

To the Secretary to Government, Home Department (Education).

Order—No. 931, Home (Education), dated the 31st August 1916.

The Government sanction the proposal of the Director of Public Instruction to open, with effect from the 1st March 1917, a Government Uriya school for girls at Russellkonda, and to employ therein a staff of two teachers on Rs. 15 and Rs. 12 per mensem. The teachers will be ineligible for grain compensation allowance.

2. This sanction is registered as No. 2 of 1917-18.

3. With reference to Memorandum No. 1126-2, Educational, dated the 18th April 1916, the Director will be requested to state when his report on the question of opening a similar school at Aska may be expected.

EDUCATIONAL DEPARTMENT.

I

Question No. 28 to be put at the meeting of the Legislative Council to be held on the 5th April 1916.

The Public Instruction Report does not give particulars about individual elementary schools and therefore it is not possible to say definitely whether there are any Uriya girls' schools in the important centres of the Goomsur division (Ganjām). Apparently there are none. Although the need for the expansion of female education exists, it may not be possible in the present financial crisis to open elementary girls' schools in the chief centres of Russellkonda and Aska, as this is not a matter of pressing urgency. Attention is, however, solicited to the following remarks of His Excellency the Governor in the notes with G.O. No. 1353, Educational, dated the 8th December 1915, sanctioning the distribution of a sum of Rs. 20,000 among local bodies for the opening of 44 girls' schools :—

" I hope that Financial may be able to agree to the girls' schools' proposals on the Director of Public Instruction's lines proceeding. It is very desirable to encourage these beginnings."

The Honourable Member (Financial) while agreeing with His Excellency observed that the cost of these schools next year must be met from the additional two lakhs grant.

2. The following answer is suggested for approval :—

" (a) The Government have no information.

" (b) The question will be considered."

3. If it is considered desirable to obtain the remarks of the Director of Public Instruction on the question, it is submitted that His Excellency the Governor's orders may be taken.

T.K.—24-3-16.

Endorsement of the Accountant-General, No. Ganj. 2-8780, dated 5th August 1916.

There are already two girls' schools at Russellkonda—one for Hindus and the other for Muhammadans. The proposed school costing about Rs. 550 per annum is meant as a separate one for Uriyas and the number of pupils expected to join this is only 35. It is submitted there appears to be no strong case for the opening of a school, especially in view of the present financial stringency.

S.N.P.—11-8-16.

T.K.—11-8-16.

It is generally admitted that special facilities for the education of Uriyas should be afforded by the Government. The present proposal is only a step in that direction. The school is to be taken over under Government management only from 1st March 1917; and the main portion of the cost of its maintenance will fall into the budget of 1917-18. It may not be impossible to find provision for this school therein. (There is the incremental grant of 2 lakhs.) The Government's undertaking the management of an ephemeral aided school is in accordance with accepted policy.

If this is approved, the file may be forwarded to Financial for remarks.

C. RAMANUJA ACHARIYAR—14-8-16.

Uriya education is always considered a special matter.

P.R.—15-8-16.

FINANCIAL DEPARTMENT.

The extra cost involved in the opening of the proposed Government Uriya girls' school at Russellkonda is Rs. 547 per annum as shown below :—

2. Please see Home (Education) Registrar's and Secretary's notes above. As pointed out therein, Uriya education has been considered a special matter by Government—vide, for example, G.O. No. 611, Educational, dated 2nd June 1916, in which Government sanctioned the opening of a temporary secondary training class for Uriyas in the Government training school, Berhampur. In the circumstances, the present

proposal to open a Government girls' school at Russellkonda may, it is submitted, be accepted—cf. Honourable Member's note, dated the 9th September 1915, on page 3 of Notes to G.O. No. 611, Educational, dated the 2nd June 1916.

3. The minimum pay of elementary school teachers in the Ganjam Agency is Rs. 10 with grain compensation allowance. In the statement of expenditure the Director of Public Instruction does not include provision for grain compensation allowance for the two new teachers, apparently because he considers the grant of such allowance unnecessary. The rates of pay proposed may, it is submitted, be

accepted, subject to the condition that grain compensation allowance is not attached to the posts. The sanction may be registered as No. 2 of 1917-18.
