To The Secretary to the Government of Madras,

EDUCATIONAL Department.

Sir, (Through the Accountant - General).

I have the honour to submit herewith a travelling allowance bill of the clerk and ^{the} peon who accompanied the ^{M. 4-7816-13} Inspector of European and Training ^{schools} to the Nilgiris and to request that you will be good enough to accord the necessary sanction under Articles 1056 and 1114 of the Civil Service Regulations so as to enable them to draw daily allowances for periods exceeding 10 days' halt during their stay on the hills with the Inspector as the prolonged halt was necessary in the interests of public service. The Inspector has allowed daily allowance only for six weeks on behalf of the clerk and the peon even though he was halting there for nearly seven weeks,

while for himself he has claimed daily allowance only for ten days. The Inspector has now 14 schools to inspect on the Nilgiris, 8 of which are High Schools and thus his stay on the hills was not unnecessarily prolonged.

2. Statements showing the actual daily expenses incurred by the clerk and the peon during their stay on the hills are also submitted.

3. I request that the bills may be returned when no longer required.

I have the honour to be,
Sir,
Your most obedient servant,

Exemption under articles 1056 and 1114 of the C.S.R. to the Establishment of the Inspector of European & Training Schools.

[C 2968]

From the Dir. of Pub. Instr. R.C. No. 5504, dated the 27th July 1916 H-2CF

Encl. of the Arch. Genl No. P.A. 1-9133 of 10th Aug 1916 H-3CF

For Regr.

A similar exemption was applied for last year and this was refused in G.O. No. 1401 Ed., dated the 13th Dec. 1915. and it is observed that last year the Insp. had, in addition to his regular insp. work, to attend a conference in regard to the location of a training school.

2. There are no special grounds for a deviation from the rule held last year in regard to the grant of exemption and a draft order declining the exemption applied for is submd. for approval.

Establishment had been allowed daily allowance for the full period of their stay on the hills, which usually very much exceeded the limit of 10 days. Upto 1913 it was only the persons that accompanied the Inspector to the hills and were allowed allowance for the prolonged stay. In 1914 the Clerk also accompanied him & was granted the concession. In that year statistics were called for and the necessity for the long stay was fully examined in Feb. In 1915, however, the stay of the Inspector was longer than usual, (seven weeks in 1914) and when the D.P.D. was asked to explain the reason he stated that, if the Inspector had exercised due economy, he could have curtailed the halt to seven weeks at most. He at the same time stated that the normal inspection work would take six weeks. The Secretary (Mr. Tadhunter) was, however, unwilling to allow any allowance in excess of the usual period & the whole proposal was disallowed.

A similar request is made for the current year; & this time six weeks halt is only taken into account for the purpose of allowance, apparently in view of the D.P.D.'s remark referred to overleaf. As pointed out by the A.G. ~~the~~ daily allowance for an excess period of only thirty days can be sanctioned by the local fort.

It seems, it is sub^d, hard that the establishment that was brought up to the hills in the interest of public duty should be allowed to suffer. The allowance may perhaps be recommended to Financial as in previous years (up to 1914) within the limit of thirty days prescribed by C.S.A.
