(Designation) Director of Public Instruction,

To The Secretary to the Government of Madras,

Educational Department.

Sir,

The question of the provision of hostel accommodation
for the students of the Ceded Districts College at Anantapur
has arisen and since it is an obviously desirable provision,
I have the honour to suggest that pending the allotment of
funds for the adaptation of Munro's Kutcherry to the purpose
of the Municipal School it should be used as a hostel. It
is in reasonably good repair and in its present state will
serve the purpose of a hostel very well although it is of
course at some distance from the new ^{high} branch school buildings
where the College is now located.

Meanwhile

(B) Meanwhile I am expediting the preparation of the plans and estimates called for in Memorandum No. 1406-7 Educational dated 20th June 1916 and when necessary other arrangements for hostel accommodation will be proposed.

I have the honour to be,

Sir,

NOTES.

Again G.O., No. , dated 191
Current No. 2565 From the D.P.D., No. 6077/15, dated the 12-7-1916.

SUBJECT. Temporary use of Munro's catchery for the hostel to be attached to the Anantapur College.

Please see para. 7 of the D.P.D.'s letter on page 4 of G.O. No. 1252 Sol. dt the 9th November 1914 in which mention has been made of a hostel to be opened in connection with the Govt. College, Anantapur ^{which is work up for as possible to the ideal of a residential college}. No definite proposals for the opening of a hostel in connection with the college has been submitted by the D.P.D. Apparently they will be submitted ~~before long~~ before long when he knows the probable number of students wishing to join the hostel, if one is opened. As regards the necessity for a hostel attached to the college, attention is solicited to para. 6 of India's letter on page 3 of G.O. No. 294 Sol. dt the 12th May 1913.

2. In the current communication the Director asks for permission to use the Munro's catchery for the purposes of the hostel pending its adaptation for the purposes of the Municipal high school.

③ Cf. Memo 1406.7 Sol. dt the 20. 6. 16. The proposal appears to be unobjectionable and may be sanctioned with the concurrence of the L.M. and P.W.D. ^{It may take some time to find the funds needed for the adaptation of the catchery for the high school.} A draft order is submitted for approval.

If approved, it may be sent to the Ltm & P.W. Dept. for acceptance.

The Anantapur Municipal Council has already agreed to the proposal that the new building's ^(then under construction) intended for the municipal high school should be utilized for the new ^(as a temporary measure) college and that the high school be moved to the Munro's Cutcherry, after this is adapted as as to be suitable for the school. The present proposal is to utilize the Munro's Cutcherry, until the work of adapting it is taken up, for a hostel. Submitted that the present proposal may be accepted. There seems to be no necessity to consult the Council, but the Educational Department may be requested to arrange for the early execution of the works ^{necessary} to adapt the Cutcherry for the municipal school.

I would suggest that, if Ed. has no objection, the Council be consulted. This proposal looks like postponing the transfer of the catchment to the High School indefinitely and I know the Council are looking forward to moving the High School into it very shortly.

[Memo. No. 2565-2566, dt. 19-7-16]

[C.N. 3129]. From the C.M.C, Anantapur, No. 207 dt. 15.8.16

The Municipal Council, Anantapur, is not willing to allow the use of the Munro's Cutchery temporarily for the hotel to be opened in connection with the Anantapur College. Apparently the Council is afraid that the arrangement is likely to end in the postponement of the improvements (to those buildings) for the purpose of the high school.

In any case that improvements will take time — please see pages 26-30 of G.O. No. 649 Vol. D, the 13th June 1916. The proposal which was put to the Council was to utilize the Munro's Cutcherry for the purposes of the hostel pending the execution of the repairs to the buildings. The Council having expressed its unwillingness to ~~fall in with the proposal~~ ^{fall in with the proposal} it is for consideration whether the D.P.O. may be requested to make other arrangements for the hostel. Perhaps the papers may be forwarded to the D.P.O. w/o. for remarks.

U.O. No. C-25/1916, dated 2nd September 1916.

When I was at Amritsar in July the principal of the college saw he would prefer to rent a house near the college for hostels. I agreed to this pointing out that the students would have to pay the rent. In the circumstances I think the view of the Council may be accepted and the Munro Cutcherry made fit for the high school as soon as possible. Think
