From (Name) M.E. Couchman Esq., I.C.S.

(Designation) Special Officer Department of
Industries.

To The Secretary to the Government of Madras,

Sir, Through The Accountant-General Madras.

In the Government Glass Factory a blower named Mr.
J.D. Fonceca has been employed from 22nd October 1915.
This man was previously working in the old Madras Glass
Works in the same capacity. On the closure of these works
he took up a permanent appointment on Rs. 30 as Auditor
in the Office of the Accountant-General, Posts and Tele-
graphs, Madras. Trained glass blowers are rare in India,
and when Mr. Tressler undertook the glass experiments, he
secured the services of Mr. Fonceca with the approval of
the Accountant-General of Posts and Telegraphs. He was
appointed as a Supervisor of War Industrial Experiments -
sanctioned in G.O. No. 1267 Mis dated 11th Nov. 1914. In

2/

accordance with articles 78 A ii and 81 of the C.S. Regs.
the clerk can only get Rs. 36 - as stated by the
Accountant-General in his No. Trichy P.A. 8936 of the
8th inst., copy of which is enclosed.

2. A blower's work differs considerably from that
of an Auditor. This demands a good deal of technical
skill and training and is more arduous. Moreover
he will have to keep factory hours which are ~~more~~ much
longer than office hours. His experience with the
former ^{company} Co. will render him very useful to me when glass-
making is re-commenced as I hope it will be very soon.
I therefore, recommend that Mr. J.D. Fonceca may be
exempted from the operation of the rules in articles
78 A ii and 81 of the Civil Service Regulations. I
propose to give him Rs. 50 at present against Rs. 100
which is the limit of pay fixed for this post in G.O.
Nos. 1267 Educational dated 11th November 1914 and
407 Educational Mis. dated 10th April 1916. (V) (N)

I have the honour to be,

Sir,

Your most obedient servant,

Mr. Conchman

Special Officer.

3/

Copy of letter No. Trichy P.A. 8936 dated the 8th Aug. 16.
from the Accountant-General to the Director of Industries.

With reference to your Endorsement No. A/3 dated the 25th
July 1916, I have the honour to state that, as the officer has
been posted to one of the appointments of Supervisor's sancti-
oned by Government, he cannot be considered to be on deputa-
tion, as defined in article 77 of the Civil Service Regula-
tions. His case is, therefore, regulated by article 78 A ii of
the Civil Service Regulations, under which he is entitled to
his pay Rs. 30/- and acting allowance Rs. 6/- i.e. Rs. 36/-
in all.

Mr. Conchman

Special Officer.

2. There is no audit objection to the proposal being sanctioned by Government with reference to the last para of Article 78A of the Civil Service Regulations.
