EDUCATIONAL DEPARTMENT.

Sir,

I have the honour to submit herewith the application of R. Krishna Row, an accountant of the District Board Engineer's Office, Madura, requesting permission to appear for two Special Test examinations, (the Account Test and the Translation Test Lower). The applicant has passed the Lower Secondary Examination and the District Board Engineer, Madura, under whom he is serving, strongly recommends the grant of his request as he possesses a very fair knowledge of all branches of clerical work and as his conduct and work have been uniformly satisfactory.

2. Similar concessions have, it is understood, been granted by Government, in the case of certain clerks working in the Ramnad District Board. I request that the permission sought for may be granted in the present case also.

The District Board Engineer,

Madurai.

Most Honoured Sir,

I humbly beg to approach your honour with the following request and crave for a sympathetic consideration of the facts contained in it, as it decides for ever the fate of a poor and faithful servant of the Board.

2. I passed the Lower Secondary Examination and then appeared for the (old) Matriculation but unfortunately could not get through the latter successfully. Compelled by circumstances, I had to give up my studies and enter the Board's service. I was confirmed as a Clerk on Rs. 15/- per mensem in the year 1908 on your honour's strong recommendation that I was more than a Matriculate. Since then, I have been discharging the duties entrusted to me with due diligence and promptitude and at present I hold the appointment of the - Accountant of the Asst. Engineer's Office, Madurai, on Rs. 25 to 30 grade. Under the rules now in force, I am not eligible for any further promotion unless I qualify myself better.

3. With regard to my work in the past, I humbly beg to represent that I have dealt in all branches of the works of the Department and am familiar with all their details - the foremost among them being the handling, during the major portion of my service, of questions which render a tolerable knowledge of the provisions of the Civil Service Regulations and Account Code essential and your honour is well aware of all my capabilities in general.

4. Considering the above and my hard service of over 8 years in the Department and my present age of only 31 years, I request that your honour will be graciously pleased to recommend to the President, District Board to obtain the sanction of Government exempting me from passing the required University Examination, to enable me to appear for the Special Tests - Account Code and Translation Test (Lower).

5. In this connection I beg to bring to your honour's kind notice that, in the Ramnad District, similar exemption has been granted by the Government in many cases.

I beg to remain,
Most Honoured Sir,

Your honour's most obedient servant,

R. Krishna Rao

Accountant, Dist. Board Engineer's
Office, Madura.
