Sir,

In their Order No. 779 Edl, Mis., dated 17th July 1915 Government approved as a temporary measure, the proposal to rent the additional accommodation required for the Government Secondary and Training School for ^{Mistresses} Triplacane, at a cost of Rs.140 per mensem., but did not regard it as an economical arrangement to rent two buildings for the school at a total cost of Rs.290 a month. It was, however, found impossible to secure the additional accommodation then under consideration, and in paragraph 1 of my letter R.C. No. 1184/15 dated 4th November 1915 I reported

to Government that the Inspectress of Girls' Schools, Central Circle, assisted by the Superintendent of the School and by the Sub Assistant Inspector of Schools, Triplicane Range, was looking for another building and that in the meanwhile the extra rent of Rs.140/- per mensem, sanctioned in the G.O. quoted above, was not being utilized. The school continues to stand in need of additional accommodation and the Superintendent and the Inspectress now report that a newly constructed two-storeyed building, sufficiently commodious to accommodate the High School classes of the school, is available in Nagoji Rao's lane, very close to the school, for a rent of Rs. 125 per mensem, and they propose that it may be taken for the use of the school. The rent for the building now occupied by the school was raised to Rs.175 per mensem in G.O. 1267 Edl, Mis, dated 23rd November 1915, and this together with the rent of Rs.125 demanded for the proposed building would amount to Rs.300 per mensem. The arrangement is thus far from economical, but personal inspection has convinced me of its necessity. I have accordingly the honour to commend the proposal for the acceptance of Government and to request that a total rent of Rs.300 per mensem, may be sanctioned for the school with effect from the date of occupation of the additional accommodation. Provision for house rent for the school at Rs.290 per mensem has been made in the current year's budget. The additional allotment required for the current year will be sanctioned by me by reappropriation.

2. The need for additional accommodation is so urgent and the difficulty of obtaining it so great that I am, in anticipation of the sanction of Government, allowing the Inspectress to take the house on a monthly tenure, pending the receipt of orders, if such action is necessary to secure it.

I have the honour to be,

Sir,

Your most obedient servant,

R. A. Arum

For Director of Public Instruction.

HOME (EDUCATIONAL) DEPT.

Additional ^a accommodation for the Govt. Secondary and Training School for Mistresses, Triplicane.

From the Director of Public Instruction, R.C.No. 6084, dated the 18th August 1916.

For Registrar.

Proposals as regards the selection of a site in Triplicane for the construction of a Govt. building for the school are being separately awaited from the Director of Public Instruction.

2. The necessity for additional accommodation was admitted last year; and sanction was accorded in G.O.

(G) 779 Educl, dated the 17th July 1915, to the D.P.I.'s action in the renting of an additional building on a monthly rental of Rs.140 ~~which was not available~~

as it was thought that the building had been taken up.

The D.P.I. reported in his letter R.C. 1184, dated the 4th November 1915, that as the addl. accommodation,

(G) sanction to which was accorded in G.O.No. 779 Educl, dated the 17th July 1915, was not available, endeavours were being made for another building. The D.P.I. now reports that a building has been chosen on a monthly rental of Rs.125 in Nagoji Rao's lane, Triplicane, and

pp 14 2 of R. 1267 23-11-15

(I)

requests sanction to a total rent of Rs.300 per

mensum from the date of occupation of the building (including Rs.175 sanction for the main building).

3. Reference is solicited to the map of Tri-
plicane division placed below. The present rented
building of the school is in Tulasingaperumal Koil
Street at the place marked 'M'. The new house pro-
posed to be rented is at the place marked 'A' in Na-
goji Rao's lane. ^{It} is roughly at the centre of the
four big streets (Tulasingaperumal Koil, Singarachari,
Theradi and Peyalwar). It does not appear to be a
suitable place for the location of the girls' school,
as it is surrounded on all sides by the back yards of
the four main streets. Further, the new building
is not in close proximity to the existing one, ~~and~~
~~the arrangement does not seem to be~~ altogether
~~satisfactory.~~

4. As regards rent, attention is solicited to
the notes of the Finl. Dept. on pages 4-5 of G.O.No.
779 Edl, dated the 17th July 1915, wherein objection
was taken to a total rent of Rs.290 per mensum for
the school buildings, and the D.P.I. was asked to enquire
and report whether a cheaper arrangement was not

possible. The total rent now proposed for the two buildings amounts to Rs.300 per mensem. The rent of Rs.125 for the new building, in a ^{not very} undesirable locality, seems ~~to~~ to be excessive; but as the D.P.I. has already engaged and occupied it, there seems to be no other alternative ~~to~~ ^{to} approve the arrangement, as a temporary measure until more satisfactory arrangements can be made. *Financial may be asked to state*
