LEAVE AND LEAVE ALLOWANCES.

To

THE RIGHT HONOURABLE AUSTEN CHAMBERLAIN,

His Majesty's Secretary of State for India.

Simla, the 24th September 1915.

SIR,

We have the honour to forward for your consideration a copy of a letter from the Government of Madras, No 680-Edl. Mis., dated the 23rd June 1915, regarding a proposal to commute into furlough the special leave taken in 1894 by Mr. J. H. Stone, C.I.E., Director of Public Instruction in that Presidency.

2. The object of the proposal is to allow Mr. Stone to draw furlough allowances during the special leave of 4 months and 28 days granted to him in the current year. For this purpose the local Government suggest the condonation of the irregularity in the grant of furlough in 1897, which would result from the commutation into furlough of the special leave taken in 1894. But we are inclined to think that it would create a less inconvenient precedent to relax the provisions of Article 301 (b) of the Civil Service Regulations in favour of Mr. Stone, who is over 55 years of age, and to commute into furlough the special leave taken by him this year than to adopt the course suggested by the local Government. In view of the fact that Mr. Stone has had very little furlough during his service of more than 29 years, and of the circumstances which compelled him to take leave this year while on extension of service as Director of Public Instruction, we consider his case justifies special treatment and recommend our alternative proposal for your sanction.

We have the honour to be,

SIR,

Your most obedient, humble Servants,
