close for perusal extracts from the "Accountant" which furnish particulars of an inquiry into, and a report on, the Profession of Public Accountants, their registration and control, which has been made by a Select Committee of the New South Wales Legislative Assembly. I would suggest that as it appears from the extracts that the same subject has been engaging the attention of Tasmania, Western Australia and Queensland as well, and as conditions there are in some respects similar to those obtaining here it might be helpful to obtain copies of all these reports from Australia and of any Acts where they exist. If these are procured might I ask for a

When reports or other publications published out of India are required for use in public offices, they are ordinarily obtained from Messrs Baker and Co through the Supdt of Stationery. The publications are intended for the I. & R. of Registration and the D.P.D (one set each) and their cost will have to be met from 32 Miscellaneous. In memo no. 3742-2 Ed. dt. the 27.11.15 the Supdt. of Stationery was requested to arrange for the supply to this office of the reports mentioned on p. 2 C.F. and the Supdt. asked Messrs Baker & Co. to supply the publications to this office - vide his memo no. 1965, dt. the 1.12.15 (p. 3 C.F.). As it ^{was} nearly six months since the reports were ordered, a reminder was sent to the Supdt. on the 22nd May last so that he may address Messrs Baker & Co. to expedite their supply. The Supdt. however requests Govt. to address the firm direct in the matter (p. 4 C.F.).

2. Under rules 89 & 90 of the Madras Stationery Manual ^(Vol I) requisitions for books required by the Sect. departments should be sent to the Supdt. of Stationery who should obtain them ~~from~~ through Messrs Baker & Co. It seems therefore more appropriate for the Supdt. of Stationery to address Messrs Baker & Co. in the matter than for the Govt. to do so. Further under rule 80 of the Stationery Manual, Vol. I, the Supdt. is the agency for procuring supplies of books published out of India to all public offices under this Govt. It does not therefore seem that the Supdt.'s duty is over as soon as he places the order with Messrs Baker & Co. ~~It~~ It appears to be his duty also to see that Messrs Baker & Co. do comply with the requisitions ^{for these publications} in time. In these

Circumstances

Circumstances it is submitted that the Supd. may be informed that he should address Messrs Baker & Co in the matter and ask them to expedite the supply of the reports in question. A draft memo is submitted below which, if approved, may issue with the concurrence of Financial.

There are orders on the point. I think the officers concerned are required to bring the non-receipt of publication to the notice of Baker & Co.

For the As.

Please see rule 86 of the Stationery Manual, Vol I as amended in Govt. 502 Part 8 9th Aug 1915. This rule however applies to newspapers and periodicals and not to books. As regards books, the Stationery Manual does not apply.

See page 1 ante. The publication of reports & books is not subject to the Stationery Manual but to the Public Works Department.

no specific orders are traceable. There is nothing in the Stationery manual ~~to~~ to show that the duty of the Supdt. is over as soon as he places the order with Messrs Baker & Co., and as pointed out by Educational it seems only proper that the Supdt. ~~was~~ takes steps to see that Messrs Baker & Co. do comply with the requisition in time. It thus appears that the Dept. memo of the Col. may be accepted in the Dept. For orders.

9.6.16 I am doubtful. I don't know why there should be a different procedure in the case of books. Mr. S. S. of St. P. kindly furnished Col. with his remarks.

Stationery Office.

There appears to be no reason why the procedure should be different in the case of books ordered from Messrs. F.P. Baker & Co. In the case of periodicals, the non-receipt of any periodical should be reported by officers within a month from the ordinary date of receipt- vide rule 86 of the Stationery Manual, Volume I and para 5 of Appendix X (a) at page 229 of Volume II. In para 9 of

Appendix XI (a) the same limit of a month has been prescribed for the supply of books and as a copy of every order for books placed by this office with Messrs. F.P. Baker & Co. is invariably communicated to the indenting officer, it is his duty to see that the order is complied with in time as in the case of periodicals. In the cases referred to in para 8 at page 233 of Volume II, officers take steps and communicate with Messrs. F.P. Baker & Co. direct. Sometimes, large indents for books required for libraries etc. are sent to Messrs. F.P. Baker & Co., which are not complied with in full for some years. In these cases the officers concerned are in a better position to correspond with the firm. Though there is no explicit rule in the case of the non-receipt of ^{books} rule 86 was, I think, ~~intended~~ intended to cover their supply also and it is requested that the rule may be modified so as to cover the non-receipt of books also.
