G.O. No. 1448, Educational, dated the 18th December 1914.

ABSTRACT.—Passing orders on the report of the committee appointed to report on the adequacy or otherwise of the playgrounds and playing fields for colleges and schools in the city of Madras.

II

Letter—from D. W. G. COWIE, Esq., M.A., I.C.S., Collector of Madras.

To—the Secretary to Government, Educational Department.

Dated—the 9th March 1915.

No.—R.O.C. 1472 B. & G. of 1915.

- (1) Old Barracks in Old Jail Street.
- (2) Grass farm in D'Mellow's Road.
- (3) South Beach Road site.
- (4) Lloyd Road site for high schools.
- (5) Lloyd Road site for Wesley College.

With reference to paragraph 2 of G.O. No. 1448, Educational, dated the 18th December 1914, I have the honour to submit the required information regarding the five sites noted in the margin.

2. Item (1)—The Barracks Square in Old Jail Street bearing R.S. No. 671 of Georgetown is not now in the occupation of the Military department. The portion of it required for the playground for elementary schools forms the northern half of the field and includes certain buildings which are in the charge of the Corporation of Madras. The plot of land marked A in the enclosed plan has been transferred to the Medical department under G.O. No. 1079, Public, dated the 25th August 1913, to be utilized as a recreation ground for medical students, and is to be at the disposal of the public when the students no longer require it. By G.O. No. 1741, Revenue, dated the 16th June 1914, the Madras Corporation has been permitted to retain for a time the buildings now in its charge. These arrangements are no doubt temporary but I understand that it is not improbable that the site may be sought by the Corporation for a permanent hospital for infectious diseases.

Item (2).—The site selected in D'Mellow's Road for a playground for the Tondaimandalam and the Theological high schools and the Progressive Union school bears R.S. No. 1735/4 of Purasawakkam and belongs to Government.

Item (3).—The site on the South Beach Road which it is proposed to use as a playground for the St. Bede's and the San Thomé high schools comprises R.S. Nos. 2344 and 990 of Mylapore, which also belong to Government.

Item (4).—The site south of Lloyd Road which is required for a playground for the use of the students of the Kellett and the Hindu high schools in Triplicane takes in R.S. Nos. 1017-1, 1017-2 and a portion of 972-3 of Mylapore. R.S. Nos. 1017-1 and 972-3 belong to Government; R.S. No. 1017-2 belongs to the Corporation of Madras. It has been temporarily transferred to the Military department under G.O. No. 2004, Revenue, dated the 14th June 1910, subject to the payment of a nominal rent of Rs. 5 per annum to the Corporation of Madras.

Item (5).—The site selected for the Wesley College playground bears R.S. No. 1735/4 of Purasawakkam and belongs to the Sri Parthasarathiswami temple in Triplicane. The sites referred to in items (2), (3) and (4) supra were originally sewage farms. They were transferred to the Corporation of Madras and transferred to the Military

department for a term of five years from 1st August 1909 subject to the conditions specified in G.O. No. 2248, Revenue, dated the 16th August 1909. The lease was subsequently extended for one year from 1st August 1914—vide G.O. No. 980, Revenue, dated the 1st April 1914. The Military department has obtained a lease from the Sri Parthasarathiswami temple authorities of the site [item (5)] for the purposes of a grass farm. The current lease expires on the 31st March 1916.

4. I enclose a copy of letter No. 342-F., dated the 11th February 1915, from the General Officer Commanding, 9th Division, objecting to parting with the grass farm lands which have been leased to that department. He urges that, if it is to surrender possession of the plot required for playgrounds, the Military department will have but a small extent left for grass farm and totally inadequate for their purposes. He is unwilling to allow the sites to be used as playgrounds unless some other land in or near Madras is made available for the production of grass.

5. I may add that R.S. No. 973-2 of Mylapore which is the site selected for the Wesley College playground is being acquired under the Land Acquisition Act for the College for Women—vide G.O. No. 313 W., dated the 13th February 1915. R.S. Nos. 1017-1, 1017-2 and 972-3, which form part of the site selected for the playgrounds of the two high schools at Triplicane, have also been included in the site selected for the same college—vide G.O. No. 1464, Educational, dated the 21st December 1914.

6. The plans received with the Government Order under reply are returned.

ENCLOSURE.

Letter—from the General Officer Commanding, 9th Division.

To—the Collector of Madras.

Dated—the 11th February 1915.

No.—342-F.

In reply to your letter R.O.C. No. 1472 B. & G. 14, dated the 22nd December 1914, the four enclosures of which are returned herewith, I have the honour to state that the sites shown in the enclosed plans form the major portions of the land at present leased by the Military Grass Farm, Madras, for the production of fodder for the animals of the Madras Garrison (including His Excellency the Governor's Body Guard).

2. The attached statement "A" gives details of all the lands at present leased by the Military Grass Farm together with the authority for the lease and the dates on which the leases expire.

The attached statement "B" gives the details of the lands noted on the four enclosed blue-prints which it is proposed to transfer for use as playgrounds.

The total area of the lands shown in statement "A" is 42 cawnies, 4 grounds and 1,038 square feet and in statement "B" 35 cawnies, 8 grounds and 1,696 square feet. Thus it will be

observed that the proposal involves the relinquishment of practically the entire area at present leased by the Military Grass Farm. The difference between the areas shown in the two statements consists of the marginally-noted areas which, with the exception of the first, appear to have been omitted by you from the areas it is proposed to utilize as playgrounds owing to the old survey sheets having been employed in preparing the sketches instead of the resurvey sheets sanctioned in G.O. No. 2004, dated the 14th June 1910, and G.O. No. 553, dated the 28th February 1911.

If the sketches appended to the above Government Orders are compared with the attached blue-prints Nos. 5, 7, 9 and 10 it will be observed that the above areas noted in the margin, with the exception of the first, comprise certain small strips of land adjoining the main areas, which will be of no use to the farm for grass production purposes, if the main areas are taken away.

3. The proposal thus involves the relinquishment by the Military Grass Farm of the entire area leased by it in Madras with the exception of the portion comprised in Resurvey No. 1286/3 consisting of 3 cawnies, 3 grounds and 19 square feet less the strip across the centre of it recently handed over to the Madras and Southern Mahratta Railway Company for the construction of a siding from Salt Cotaurs Railway Station to the Electric Supply Corporation's premises—vide correspondence ending with your letter R.O.C. No. 550 B. & G. of 1914, dated the 18th January 1915, to the address of the Assistant Director of Grass Farms, 9th Division, Bangalore.

4. In view of the very heavy expense to which the Government of India will be put if this proposal is carried through, since it will necessitate the importation at great cost of practically the whole of the annual fodder requirements of the Government animals stationed in Madras from distant areas, such as Bellary, I am unable to agree to the sites being used as playgrounds unless it is found possible to hand over to the Military Grass Farm some other suitable lands for grass production in or near Madras.

5. The lands which it is proposed to utilize as playgrounds are very valuable grass lands. I am of opinion that they are too valuable as grass lands to warrant their being converted into playgrounds and consider that practically the only purpose which would justify their ceasing to be used as grass lands would be their utilization as building sites. Also I venture to think that there are several other suitable sites in Madras, at present waste lands and adjacent to these four grass plots, which could be made into playgrounds.

6. In conclusion I would ask whether any part of the lands at Saidapet vacated by the Agricultural College and Farm on its removal to Coimbatore, are still vacant and if so whether they could not be made available for grass farm purposes. If it should be found feasible to do so there would be no difficulty in relinquishing the sites which it is suggested to convert into playgrounds.

Official Memorandum No. 2712-C/15-1, Revenue, dated the 11th November 1915.

In order to provide playgrounds for certain schools and colleges and a site for the Women's College, it is proposed to resume from the Military department about 39 or 40 cawnies of land in Madras town utilized by the Military department as grass farm. The Military department is willing to give up these lands if an equal extent of the

vacant land in the abandoned Saidapet farm grounds could be made available to them for grass farm purposes. The Board of Revenue is requested to report whether there is any objection to transferring to the Military department an extent of about 39 or 40 cawnies of the vacant lands at Saidapet in exchange for the lands required by Government.

The Hon'ble Mr. R. B. CLEGG, I.C.S.,
Commissioner of Land Revenue.

In reply to Government memorandum No. 2712-C/15-1, dated the 11th November 1915, the Board submits that the Collector of Chingleput reports that there is no objection to transfer to the Military department an extent of about 39 or 40 cawnies of vacant land in the abandoned Saidapet farm grounds. The available vacant lands measuring 187.57 acres have been leased to Mr. Bullmore under the sanction conveyed in G.O. Mis. No. 487, Revenue, dated the 23rd February 1915, and the lease expires by the 30th June 1916.

Memorandum No. 934-8/15, Educational, dated the 23rd March 1916.

The Collector of Madras is requested to ascertain definitely and report whether the Military authorities agreed to hand over their grass farm lands in D'Mellow's Road and South Beach Road [items (2) and (3) in paragraph 1 of his letter read above] on assignment to them of an equal extent in the abandoned agricultural farm at Saidapet. If the Military authorities agree, they should be asked to state when they would be able to hand over the lands in D'Mellow's and South Beach roads. The current lease of the farm lands at Saidapet expires by the 30th June 1916. The assignment of any portion of them to the Military authorities can therefore be made only after that date. The Collector is requested to treat this reference as urgent, as it is necessary to settle the matter before the expiry of the current lease at Saidapet.

Letter—from H. A. B. VERNON, Esq., I.C.S., Collector of Madras.
To—the Secretary to Government, Educational Department.
Dated—the 1st May 1916.
No.—R.O.C. 382/B & G.

In reply to Government memorandum No. 934-8/15, dated the 23rd March 1916, I have the honour to state that the Assistant Director of Grass Farms, Ninth Division, has agreed to surrender the grass farm lands in D'Mellow's Road and South Beach Road from 1st May 1916 on the understanding that an approximately similar area of the abandoned agricultural farm at Saidapet will be assigned to the Military department for use as grass farm from 1st July 1916.

2. From the Assistant Director's letter No. 1108-F., dated the 11th April 1916, copy of which I enclose, it will be observed that he proposes to surrender the entire area occupied by the grass farms on the D'Mellow's and South Beach roads as the

surrender of the portions referred to in the Government memorandum would leave in the hands of the Military authorities small areas which would be of no use to them.

3. The D'Mellow's Road grass farm comprises the resurvey numbers noted in the margin and their aggregate area is 14 Cawnies, 17 grounds and 1,203 square feet. R.S. No. 1735/4 of Vepery has been selected for a playground for the Tondaimandalam and the Theological High Schools—vide item 2 of paragraph 2 of G.O. No. 1448, Educational, dated the 18th December 1914. R.S. Nos. 1730/1 and 1730/3 of the aggregate extent of 1 cawnie, 4 grounds and 1,935 square feet

R.S. No.	CAW.	GRD.	SQ. FT.
1735/4 of Vepery	13	12	1,668
1730/1	0	1	660
1730/3	1	3	1,275
	14	17	1,203

will be practically of no use to the Military department if the main farm in R.S. No. 1735/4 is taken away.

The resurvey numbers quoted by the Assistant Director as comprising the South Beach Road farms constitute two separate blocks. Resurvey numbers 990 and 2344/1 of Mylapore which form the southern block lying to the south of the office of the Inspector-General of Police have been selected in G.O. No. 1448, Educational, dated the 18th December 1914, as a site for the playground for the St. Bede's and the San Thome high schools.

The northern block comprises R.S. Nos. 972/2, 972/3, 972/4, 973/2 (part), 1017/1 and 1017/2 of Mylapore. Of these R.S. No. 973/2 has been acquired for the Madras College for Women and it has been decided that the remaining fields also should be taken up for the same purpose. Two of these fields—R.S. Nos. 1017/1 and 1017/2—have been selected for the playground for the Kellett and the Hindu high schools in Triplicane—vide G.O. No. 1448, Educational, dated 18th December 1914.

4. All the lands which the Assistant Director proposes to hand over to the Civil department are, as above pointed out, required for either for the College for Women or for playgrounds for educational institutions. I therefore support the Assistant Director's proposal and recommend that the surrender of the entire area of the grass farm lands offered by him may be accepted.

5. I am requesting the Collector of Chingleput to furnish me with a plan of the abandoned agricultural farm land at Saidapet showing the survey numbers and the area of each field together with information as to which of the plots will be available for assignment on 1st July 1916. The Assistant Director has asked me for a plan to enable him to select the areas which the Military department may require for grass farm purposes.

6. I am also requesting the Assistant Director to defer handing over the lands pending orders on this reference.

2. It will be observed that the lands noted in the margin above comprise certain small areas not mentioned in your letter under reply and these have been underlined in red. It is suggested that they should be taken over by you together with the areas named as their retention by the farm would serve no useful purpose.

On receipt of your reply I will arrange to visit Madras and inspect the lands of the abandoned agricultural farm at Saidapet with a view to selecting the areas which are to be assigned to the Military Farms Department and I should be obliged if you could favour me at an early date with a plan of the lands showing thereon the R.S. numbers and the areas of each and also which of the plots will be available for assignment on 1st July 1916.

I am instructing my subordinate at Madras to arrange for the removal of all Grass Farm property from the lands which are to be handed over to you before the 1st May 1916.

Memorandum No. 1273-C/16-2, Revenue, dated the 30th May 1916.

With reference to the correspondence ending with Reference No. 2201-Gt./15-2, dated the 22nd February 1916, regarding the lease to the Military department of a portion of the abandoned agricultural farm grounds at Saidapet, copies of the subsequent correspondence noted in the margin are transmitted to the Board of Revenue.

2. The Military authorities have expressed their willingness to relinquish on 1st July 1916 the grass farm lands required for playgrounds, on assignment of an equal extent of the abandoned farm at Saidapet. The Board is requested to give to Mr. Bullmore, the present lessee, notice that his lease will not be extended beyond 30th June 1916, on which date it expires.

3. The Board is requested to report for how many years the portion of the abandoned farm at Saidapet required by the Military department should be leased to them and on what conditions.

Letter—from M.R.Ry. Rao Bahadur T. VIJAYARAGHAVACHARYA Avargal, M.A., Acting President, Corporation of Madras.
To—the Secretary to Government, Educational Department.
Dated—the 21st July 1916.
No.—Govt. C. 209.

With reference to Government memorandum No. 934-13/15, Educational, dated the 8th June 1916, I have the honour to state that the Corporation, at their meeting held on 18th July 1916, have agreed to the use of the land bearing Resurvey No. 1017/2 near Lloyd Road in Krishnampet as a playground for the Kellett high school and the Hindu high school, Triplicane, on the conditions that (1) no permanent structure is erected on the land without permission and (2) the land is handed back to the Corporation when no longer used as a playground for these schools.

Order—No. 985, Home (Education), dated the 16th September 1916.

In their Order No. 1448, Educational, dated the 18th December 1914, the Government, while dealing with the recommendations of the committee appointed to report on the adequacy or otherwise of the playgrounds and playing fields for the colleges and schools in the Madras city, directed that enquiries be made as to whether the following five pieces of land reported to be under the Military department and included in the proposals of the committee were available for use as playgrounds:—

- (1) Old Barracks in Old Jail Street.
- (2) Grass Farm in D'Mellow's Road.
- (3) Site on the South Beach Road.
- (4) Site on Lloyd Road (for high schools).
- (5) Site on Lloyd Road (for the Wesley College).

Enquiries have now shown that the sites (1) and (5) above are not available, the former being unfit for use as a recreation ground on account of its proximity to the Municipal infectious diseases hospital, and the latter having been acquired for other purposes.

As regards item (4), the site on Lloyd Road, the portion bearing R.S. No. 1017/2 belongs to the Corporation of Madras and the remaining portions to Government, but all the pieces are now in the occupation of the Military department, having been temporarily leased to it for the purposes of its grass farm.

2. The Military department has expressed its readiness to relinquish the lands in its occupation included in items (2), (3) and (4) on condition of its being provided with an equivalent area elsewhere; and the Corporation of Madras has also consented to place the portion owned by it at the disposal of Government subject to the conditions—

(1) that no permanent structure is erected on the land without its permission, and

(2) that the land is handed back to the Corporation when it is no longer used as a playground.

3. The Government accept the proposals of the Military department and of the Corporation and orders will issue in the Revenue Department directing the Collector of Madras to take possession of the lands under the Military department and to place them at the disposal of the Educational Department. The Director of Public Instruction will be requested to arrange likewise to take possession of the land belonging to the Corporation.

4. The site on D'Mellow's Road [item (2) in paragraph 1 above] will, as recommended by the committee, be utilized as playground for the Tondaimandalam, the Hindu Theological and the Progressive Union high schools, while that on the South Beach Road [item (3) in paragraph 1 above] for the St. Thomé and St. Bede's high schools. The site on Lloyd Road (item 4) will, as stated in G.O. No. 1464, Educational, dated the 21st December 1914, be reserved for the use of the Women's College.

5. The conditions referred to in paragraph 9 of G.O. No. 1448, Educational, dated the 18th December 1914, will apply to the grants of lands to institutions under private management sanctioned in these orders.

6. The Director of Public Instruction is requested to submit proposals for carrying out improvements, if any, to these lands, and for providing the funds required therefor.

HOME DEPARTMENT (EDUCATION).

NOTES CONNECTED WITH G.O. No. 985, HOME (EDUCATION),
DATED THE 16TH SEPTEMBER 1916.

[SUBJECT.—*Utilization of certain sites in the occupation of the Military department as playgrounds.*]

From the Collector of Madras, No. 1472, dated 9th March 1915.

From the Collector's letter it is observed that the sites referred to in items (4) and (5) are not now available, as they are to be acquired for the Women's College. The Collector also states that the land involved in item (1) will not be available as it is intended as a recreation ground for the students of the Royapuram Medical School. He has not, however, reported whether it is now being actually used as a recreation ground. The fact that the playground committee recommended it for use by the pupils of the elementary schools in the vicinity would seem to show that the site is

Ask.

P.R.—27-3-15.

not now actually used as a recreation ground. A reference to the Public Department on this point seems necessary.

2. The Military department's objections to the use of the sites included in items (2) and (3) are likely to be greater now than before as some other grass farm lands in their occupation comprised in items (4) and (5) are to be diverted to other purposes. They will agree to hand back the sites in question, only if other sufficient land in or near Madras is made available for them for the production of grass. The Collector has not reported whether there is other suitable land that could be made over to the Military department. From the letter of the General Officer Commanding, dated the 11th February, it is observed that if any part of the lands at Saidapet vacated by the Agricultural College and farm could be placed at the disposal of that department, there could be no difficulty in relinquishing the grass farm lands now in question. Submitted that the Revenue Department may, in the first instance, be asked whether the agricultural farm lands at Saidapet could be handed over to the Military department.

The vacant land in the Saidapet farm grounds is about 150 acres in extent. It is at present leased to Mr. C. Bullmore for a period of seventeen months from the 1st February 1915, subject to the condition, among others, that he should vacate the whole or any portion of the farm required by Government on three months' notice.

2. It will be seen from the Judicial Department note at pages 3-4 of G.O. Mis. No. 487, dated the 23rd February 1915, that the Saidapet agricultural farm land is one of the sites in view for housing the reserve police at St. Thomas Mount. Submitted that the Judicial Department may be asked as to whether a decision has been come to regarding the location of the quarters for the reserve police.

Attention is solicited to the foregoing notes. It is observed therefrom that the agricultural farm at Saidapet is one of the sites suggested by a committee in 1914 for the construction of quarters for the reserve police at St. Thomas Mount and that the Inspector-General of Police has been asked in the beginning of the current year to select a fresh site for the police either from among the sites recommended by the committee or in any other suitable locality. From the committee's report it will be seen that the site of the farm was suggested as an alternative only "as a last resort." It appears therefore unlikely that this site will be selected.

Attention is invited to this department's note on the previous page and the correspondence and notes in G.O. No. 1639, Judicial, dated the 13th July 1915, from which it will be observed that there is a prospect of the Ordnance buildings at the Mount becoming available again in the near future for the occupation of the reserve police and the Inspector-General of Police has been asked to ascertain and report the facts to Government and consider the advisability of taking up the buildings instead of acquiring a fresh site for the purpose as directed in G.O. C.R.—31-8-15.

The chance of the reserve police lines being located on the old agricultural farm is extremely remote and in any case they would only take up a small portion of the 150 acres available. I don't think a remote possibility of this kind should be allowed to hang up the playgrounds scheme. Will the Inspector-General of Police please say whether he has any objection to the fifth of the alternatives at page 4 G.O. No. 912, dated 21st April 1914, being disregarded?

OFFICE OF THE INSPECTOR-GENERAL OF POLICE.

For the reasons explained by the committee in paragraph 7 (5) at page 4 of G.O. It is submitted that the file may now be sent to the Revenue Department to consider the question of transferring a portion of the Saidapet farm lands to the Military department for growing grass, in return for the lands, now under their occupation which are required for playgrounds. The total extent of the lands on the D'Mellow's and the South Beach Roads, which are now to be taken up, is about 29 cawnies. Another ten cawnies of land in military occupation is being or has been taken up for the Women's College. If compensation land for the latter also will be required by the Military department, the total area that will have to be found in the Saidapet farm will be about 39 or 40 cawnies. The farm lands are stated to cover an area of about 150 acres.

Please see the Board's reply. The Collector of Chingleput reports that there is no objection to transfer a portion of the Saidapet farm grounds to the Military department. The Educational Department may, it is submitted, be informed accordingly.

2. The extent of land in D'Mellow's Road, Vepery, Kistnampet and Mylapore, occupied by the Military department for grass farm purposes is 42 cawnies, 4 grounds and 1,038 square feet. Of this extent the area proposed to be taken up for playgrounds

is 35 cawnies, 8 grounds and 1,696 square feet. The area that will be left in the occupation of the Military department is 6 cawnies, 19 grounds and 1,742 square feet. Of this the Military department propose to retain 3 cawnies, 3 grounds and 19

square feet forming R.S. No. 1,286/3, in D'Mellow's Road, Vepery. The remaining extent of 3 cawnies, 16 grounds and 1,723 square feet is made up of small strips of land adjoining the main blocks proposed to be taken up for play-grounds. The Military department point out that these small strips would be of no use to them for grass farm purposes and propose to relinquish these plots also. The Educational Department may, it is submitted, be requested to include these strips also in the areas proposed to be taken up for playgrounds. The total extent in the Saidapet farm area that will thus have to be transferred to the Military department will be 39 cawnies, 1 ground and 1,019 square feet or nearly 40 cawnies.

If the Military authorities agree, it may be desirable to know when they will be able to hand over their lands in Madras. Mr. Bullmore's lease expires by the 30th June 1916 and it may perhaps be better to settle matters before his lease is extended.

From the Collector of Madras, No. 332, dated 1st May 1916.

The Military authorities have now definitely expressed their willingness to part with their grass farm lands in D'Mellow's road and South Beach Road on assignment of an equal extent in the abandoned agricultural farm at Saidapet. The selection of the areas in the farm for the Military department has yet to be made. Meanwhile it is submitted that the file may be sent to Revenue for noting the fact that about 40 cawnies of the farm will have to be assigned to the Military department with effect from the 1st July 1916.

REVENUE DEPARTMENT.

The Military department have agreed to relinquish the grass farm lands required by the Educational Department for playgrounds on 1st July 1916. (It should be stated at the outset that the Military department have no rights over these lands beyond those of a lessee). The lands are composed of—

	CAW.	GRD.	SQ. FT.
(a) Government lands ...	34	14	511
(b) Lands belonging to the Corporation of Madras ...	1	12	27
(c) Private lands ...	6	2	500
Total ...	42	4	1,038

Item (a) above was leased to the Military department for one year in G.O. No. 980, Revenue, dated the 1st April 1914. The period of lease expired on the 1st July 1915.

Item (b) above is the absolute property of the Corporation and was leased (in G.O. No. 2004, Revenue, dated 14th July 1910) to the Military department for five years on payment of a nominal rent of Rs. 5 per annum to the Corporation. The lease expired on the 11th July 1915.

Item (c) is private property which the Military department leased from the owner. The lease expired on the 31st March 1916.

2. If the Educational Department want items (b) and (c) above for playgrounds,

A.H.A.T.—24-5-16.

it is submitted that they should make their own arrangements for acquiring the lands. This department is concerned only with the resumption of Government lands, item (a) above. The Military department stated that if the lands were resumed from them without leaving them any other land suitable for grass production in or near Madras, the Government of India (Army Department) would be put to very heavy expense on account of carriage of fodder required at Madras from Bellary and other places. They therefore requested that a portion of the abandoned agricultural farm land at Saidapet may be assigned before their present grass farm lands are resumed. The Board of Revenue stated that it had no objection to this proposal: submitted that copies of the correspondence on the subject may be forwarded to the Board of Revenue who may be asked to notify to the present lessee that the lease will not be extended beyond the 30th June 1916 on which date it expires. The Board may at the same time be asked to report for how many years the lands required by the Military department at Saidapet should be leased to them and on what conditions. Proposals for the leasing of the remaining portion may also be called for from the Board.

A draft official memorandum is submitted. It may be sent to Educational for acceptance.

3. The land proposed for the Wesley College, Royapettah, is entirely private property and belongs to the Parthasarathiswami temple at Triplicane. No information is available as to what its acquisition would cost. The original playground committee considered it a military land—vide statement on page 5 of G.O. In the circumstances stated by the Collector the Wesley College should go without a playground in the new scheme. But its existing ground measures $1\frac{3}{4}$ acres and has been reported to be fairly sufficient. In view of this the question of acquiring a playground for that college may be dropped for the present. If the college feels the necessity for additional ground, it will no doubt apply to the Government separately for a grant and for acquisition of any land it may choose.

Abstract - Passing orders on the report of the Committee appointed to report on the adequacy or otherwise of the play grounds & playing fields for colleges & schools in the City of Madras.

ORDER:- No. 985 dated the 16. 9. 16
P.S. 368

(M) In their order No.1448, Educational, dated the 18th December 1914, the Government, while dealing with the recommendations of the committee appointed to report on the ^{adequacy} ~~adequacy~~ or otherwise of the play grounds and playing fields for the colleges and schools in the Madras City, directed that enquiries be made as to whether the following five pieces of land reported to be under the Military department and included in the proposals of the Committee were available ~~for~~ for use as play grounds:-

- (1) Old Barracks in Old Jail Street.
- (2) Grass Farm in D'Mellow's Road.
- (3) Site on the South Beach Road
- (4) Site on Lloyd Road (for high school)
- (5) Site on Lloyd Road (for the Wesley college.)

NOT for S.T.

Enquiries have now shown that the sites (1) and (5) above are not available, the former being ~~partly~~ in charge of the Madras Corporation and ~~partly~~ used as ~~a recreation ground by the Medical school,~~ ^{an infection diseases hospital,} and the latter having been acquired for other purposes.

As regards item (4), the site on Lloyd Road, the portion bearing R.S.No. 1017/2 belongs to the Corporation of Madras and the remaining portions to Government, but all the pieces are now in the occupation of the Military Dept, having been temporarily leased to it for the purposes of its grass farm.

2. The Military department has expressed its readiness to relinquish the lands in its occupation included in items (2), (3) and (4) on condition of its being provided with an equivalent area elsewhere; and the Corporation of Madras has also consented to place the portion owned by it at the disposal of Government subject to the conditions

(1) that no permanent structure is erected on the land without its permission, and

(2) that the land is handed back to the Corporation when it is no longer used as a play ground.

3. The Government accept the proposals of the Military department and of the Corporation and orders will issue in the Revenue dept. directing the Collector of Madras to take possession of the lands under the Military dept.

The former being unfit for use as a recreation ground on account of its proximity to the Municipal infectious disease hospital.

(A) p. 102, C.F. sp. 6 g. note.

and to place them at the disposal of the Educational department. The Director of Public Instruction will be requested to arrange likewise to take possession of the land belonging to the Corporation.

4. The site on D'Mellow's Road (item (2) in paragraph 1 above) will, as recommended by the committee, be utilised as play ground for the Tondaimandalam, the Hindu Theological and the Progressive Union high schools, while that on the South Beach Road (item (3) in paragraph 1 above) for the St. Thomé and St. Read's high schools. The site on Lloyd Road (item 4) will, as stated in G.O.No.1464, Educational, dated the 21st December 1914, be reserved for the use of the Women's college.

5. The conditions referred to in paragraph 9 of G.O.No.1448, Educational, dated the 18th December 1914, will apply to the grants of lands to institutions under private management sanctioned in these orders.

6. The Director of Public Instruction is requested to submit proposals for carrying out improvements, if any, to these lands, and for providing the funds required therefor.

INSTRUCTIONS FOR THE SECRETARIAT.

(a) If a paper is marked to be printed urgently, the Superintendent of the section concerned should sign the Press slip. The Superintendent should exercise a careful discretion in the matter.

(b) Each letter, memorandum, or order, or set of orders, in the file of correspondence should be headed in succession with the Roman numeral I, II, III, etc., the number being written in red ink or blue chalk above the item. The particular papers to be printed in the special issue-copies should be indicated by the Roman numeral (I, II, etc.) by which that item has been headed in the correspondence file. All matter, including marginal remarks or references, to be printed should be written in ink and matter which should not be printed should be encircled. Initials and signatures that are not quite legible should be re-written distinctly.

(b¹) For rules regarding printing of notes, see rule 315 of the office Manual.

(c) The number of copies and the details of distribution should be filled in by the Superintendent or Referencer concerned.

(d) In the absence of special instructions to the Press to keep matter standing for a specified period, ordinary papers of 8 pages and under will be kept standing for one week, and larger papers for two weeks only. The type of notes and of all confidential papers is distributed immediately after striking.

(e) This slip, properly and completely filled in, should accompany every paper sent to Press; it will be returned by the Press when proofs are furnished; it should be sent to the Press when a call is made for revised proofs or when a corrected proof is sent for striking. When finally returned by Press it should be filed with the original order or letter.

INSTRUCTIONS FOR THE PRESS.

(a) If, in the opinion of the Superintendent of the Press, a paper has been marked urgent unnecessarily, he should send the Press slip to the Registrar with a remark to that effect.

(b) Unless a note to the contrary is made against the matter, pencil entries should not be printed. The Superintendent of the Press may bring to the notice of the Registrar any instance of incomplete or careless editing.

(c) Signature copies of letters to the Secretary of State or to the Government of India should be printed on hand-made paper.

(d) This slip should be returned by the Press to the Secretariat when proofs are furnished; it will be sent back to the Press when proofs are returned corrected and should be finally returned to the Secretariat when struck-off copies are supplied.

(e) The names of the Secretary and Members should be printed in full when they occur on the right hand side, only the first time when they appear on the left side, the initials alone being printed later.

TO PRESS, MADRAS OOTY.
