Dear Sir:

You very kindly send as a gift to the Library, the issues of the "Catalogue of Books registered during the Quarter, Madras Presidency." Since the issue of July-September, 1912, however, nothing has reached us. If there have been later issues we should be very glad to have them. If not, we should be glad to have the information that it may be noted in our records. We are anxious to have this file complete to date and shall hope that you will help us by sending anything later than the issue noted, and letting us have future issues as they appear.

Very truly yours,

E. H. Anderson
