I am in receipt of your letter
of 22nd July, 1916. I should have been
very glad to give you all the assist-
ance I can if your enquiries
emanated from this province. I am
rather diffident to extend my
activities to other provinces, as I
may be misunderstood. If however
you would care to apply through
your local government I shall be
happy to give you full parti-
culars of the processes worked
out by me and to help you in
any other way I can.

I am very interested in your
letters and am gratified to note
that you are giving so much
attention to indigenous dyestuffs.
