Dear Mr. Rajagopala Achariyar,

I have at last found a house which will do for my office. It is in the Poonamallee Rd, not far from Egmore station. I am writing to government officially for approval, but I am moving into it almost at once, as there is no room for Mr. Newland as well as myself in the old office. It is, moreover, so noisy

that I find it impossible to
do any work there.

I should be glad if you would
obtain early orders on my
proposal to try to find a glass
refractor at home. The time is
getting short.

Yours sincerely,

Mr. C. S. Brown

The question of providing adequate permanent accommodation for the office of the Director of Industries has been under the consideration of the Govt for the last two years. In G.O. No. 1506 W. dated the 14th August 1915, orders were issued for the acquisition of Mr Ramsay Unger's land & buildings adjoining the existing premises of the Director's office. The acquisition has, however, not been proceeded with; The question is lying over pending decision as to whether any of the military sites & buildings which it was stated would fall vacant could not be made use of for the Director's office. This question ~~however~~ is lying over in the P.W.D. pending decision of the larger question, which is under consideration in that Dept. of housing ^(at Bangalore) all the public offices in the Madras City ~~at Bangalore~~.

2. Last year the Govt approved the action of the Director in hiring

CM 3312. From the Special Officer, Dept. of Ind.
 No. A 29. dated the 9.9.16

Mr. Bonchman's proposals are
 (i) that the rented buildings now occupied by his office together with the workshop should be made over to the Agricultural Dept. for the use of the Agricultural Engineer, and

(ii) that a new building should be taken on lease for the accommodation of his office on a rental of Rs 200 per mensem.

2. The file relating to the transfer of the workshops to the Agricultural Dept. is ^{linked below} ~~being separately submitted~~. Mr. Bonchman supports the proposal of the Director of Agriculture as regards the transfer of the workshop; but formal orders have yet to be passed on the point.

3. If Revenue agree to take over the buildings now occupied by the ^{Office of the} Director of Industries for the use of the Agricultural Engineer it

pay 102 of eq.

para 4. p. 24 of.

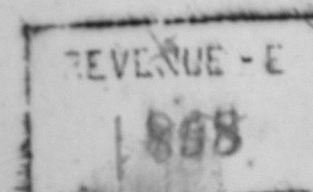

it will become necessary to rent another suitable building for the use of the former. The building selected by Mr. Bonchman belongs to Sir Santharam Nair & the rent demanded is Rs 200 per mensem which is considered reasonable. It is perhaps unnecessary to consult the P.W.D. on the point. If a new building is taken on lease, the building for which a rent of Rs 200 per mensem is now paid under the arrangement sanctioned

(N) in G.O. No. 448 Est., dated the 29th April 1915, may be vacated.

The extra expenditure will come to only Rs (200 - 175) 175 per mensem

4. Submitted that Mr. Bonchman's proposals may be referred to the Revenue & Financial Dept. for remarks.

Please see pages 4-5 of Edul. note

Supra. The original intention was that the Agri. Engineer should be accommodated in the office of the Dis. of Agriculture at Cherpunk and that the workshop should remain with the Dept. of Industries - Para 15 of B.P. imp. 32 and para 3(vi) of order imp. 34 of go. 522 d 7.3.1916. In the linked file the Director of Agre. has suggested and our Comman has agreed that the workshop should also be transferred to the agricultural Dept. This decision necessitates the housing of Agricultural Engineer's office and establishment in the

same building as that of the workshop. The Board has proposed in the linked file to accommodate the agri. engr. and the asst. agri. engineer in the rooms attached to the workshop. The workshop, and the office of the Dis. of Ind. are situated in a rented building on the Boonamalle high road. The monthly rent is reported to be Rs 25. The buildings now occupied by the Dis. of Industries may be accepted.

The file may be passed on to Financial.

For the Asst. Secretary,

Please See Mr. Couchman's letter on pages 1-2 C.F. and the Home and Revenue Dept. notes on pages 4-6 ante. In the circumstances stated (the Office of the Director of Industries seems to be already moving into the new premises on the Poona Mulla Road vice position M on page 1 ante), the proposal to rent the building at Rs 200 per month (or at an extra cost of Rs 175 per month) may, it is submitted, be accepted. The Special Officer, Dept. of Industries points out the source from which the extra expenditure during the current year can be met. (vice para: 5 on p. 2 C.F.)
