Government of India,
DEPARTMENT OF EDUCATION.

(Education)

Simla, the 28th August 1916.

From

The Hon'ble Sir E.D. MacLagan, K.C.I.E., C.S.I.,
Secretary to the Government of India,

To

The Secretary to the Government of Madras,
Educational Department.

Sir,

I am directed to forward, for the information of the Governor in Council, a copy of a despatch from the Secretary of State no. 3-Public (Students), dated the 14th July 1916, intimating his decision to increase during the duration of the war, the existing value of Government of India scholarships tenable in the United Kingdom, subject to the limitation mentioned, and proposing to grant the same concession to all Indian Students, men and women alike, drawing scholarships, or allowances in lieu of scholarships, from provincial revenues. I am to request that, the Government of India may be informed whether the Governor in Council, concurs in the proposal so far as it affects Miss K.M. Myers.

I have the honour to be,

Sir,

Your most obedient servant,

MacLagan

Secretary to the Government of India.

Public (Students),
No.3.

India Office, London,

14th July 1916.

To His Excellency the Right Honourable the Governor General
of India in Council.

My Lord,

Representations have been made to me to the effect that the rise in prices and increased taxation resulting from the war have pressed somewhat heavily on Indian Scholars~~who~~ resident in this country, whose scholarships had previously been fixed at rates considered not more than sufficient to maintain them adequately here.

2. After enquiry I have decided to grant during the duration of the war subject to the limitation stated in the next paragraph, an addition of 5 per cent. as from 1st April last, to the existing value of all Government of India scholarships tenable in this country; and I propose that, subject to the same limitation, this concession should be extended from the same date to all Indian students, men and women alike, drawing scholarships, or allowances in lieu of scholarships, from provincial revenues during the same period. I do not doubt that the Local Governments concerned will concur in the small additional expenditure required. The concurrence of the Government of Bihar and Orissa is required in the cases of Messrs. K.Prasad, P.K.Pariya (or Parija), S.Bashid-uz-Zaman, Abdus Samad Khan, A.C. Banerjee (or Banarji) and S.C.Tripathi, that of the Government of Bombay in the cases of Miss J.J.Jhirad and Miss Ruby Navalkar, and that of the Government of Madras in the case of Miss K.M.Myers.

3. It appears that four of the Indian scholarship-holders at Cambridge, Messrs. P.S.Katti, P.A. Gasper, G.C.Chatterji and A.C.Banerjee, are also in receipt of scholarships or exhibitions from their Colleges, and that Mr. G.S. Sarker, a Technical Scholar, is earning 10s a week in the works of the British Westinghouse Company. I propose that any Scholar in receipt of stipend, pay or other like emolument, equalling or exceeding 5 per cent. of the value of his Indian scholarship, shall not be eligible for a percentage addition to the latter.

I have etc.,
