2. Attention is however drawn to Govt. 1625 W of 3.9.15 and the papers put up there with. It has been usual for this Govt. to sanction an allotment of funds for the carrying out of repairs by the Mysore Durbar to Ryed Shree's tomb and its adjacent buildings. Public (Police) Dept also may be asked to examine the papers in that dept in connection with this matter for the information

With reference to the enquiry at 'A' on page 1 ante, it is stated that the Madras P. W. D. have nothing to do with the monuments in the civil and military station of Bangalore. Presumably the reports that may be necessary in their case will be attended to by the local P. W. D. The Supt., Archaeological Survey, Southern Circle, may have also to give the expert advice necessary for ^{the} conservation of the monuments.
