Rec. No. 802. 7 16.

Station Madras., Dated the 22nd December 1916.

From (Name) C.A. Innes Esq., I.C.S.

(Designation) Director of Industries.

To The Secretary to the Government of Madras,
Home (Educational) Department.

Sir,

It has come to my notice that officers of this Department occasionally write articles for the press on subjects connected with their official duty. For instance, I find that the Weaving Assistant has sent to the Hindu and other papers articles on such subjects as "Weaving in Tanjore" "Weaving in Madura" and so on. I see no harm in this practice provided that it is properly regulated; on the contrary it advertises the Department and so far does good. But strictly it offends against the provisions of Rule 17 of the Government Servants' Conduct Rules, since the information in such an article as that on "Weaving in Tanjore" was obviously collected in the course of the Weaving Assistant's official duties. I

NOTES.

propose therefore to issue orders to the effect that I have no objection to my officers contributing to the press, provided that copies of the articles (when they are not articles of ^a purely literary or artistic character) are first submitted to me and my approval obtained in each case. I have the honour to solicit approval to this ~~case~~ course.

Note: submit to the Govt. Servants' Industrial Rules

2. I see no objection to officers receiving remuneration ~~from~~ the newspapers concerned ^{for} such articles as they are permitted by me to contribute to the press.

I have the honour to be,

Sir,

Your most obedient servant,

Chatterjee

Director of Industries.
