GOVERNMENT OF MADRAS
HOME DEPARTMENT
(Education)

READ—the following paper:—

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.
To—the Secretary to Government, Home (Education) Department.
Dated—Madras, the 6th January 1917.
No.—Ref. on Osr. 8487/16.

In his last report on the Gymnastic Teachers' Certificate examination the Inspector of European and Training Schools stated that the notice issued by him directing candidates to adopt a uniform system of dress and advising them to follow the syllabus of exercises for schools issued by the Board of Education had a good effect and he suggested that all candidates for the examination might in future be required to follow a prescribed syllabus and that a training centre for each district might be recognized whence candidates might be admitted to the examination. The proposal commended itself to me as it was expected to systematize the course of instruction in the subject and minimize the number of unlicensed candidates appearing annually for the Gymnastic Teachers' Certificate examination from various schools without proper tuition. I have, in consultation with the Inspector of European and Training Schools, accordingly selected certain institutions both under public and private management at the rate generally of one for each district in which facilities exist for proper training and recognized them as centres for the training of candidates for the Gymnastic Teachers' Certificate examination in addition to the Teachers' College. The Government institutions thus recognized are three in number, viz., (1) the Kumbakonam College selected on account of the existence of the art class, (2) the Reformatory School, Chingleput, and (3) the Government Training School for Masters, Calicut.

2. The Principal, Kumbakonam College, now reports that there are at present 21 candidates under training, 12 being students of the art class, 5 college students and the remaining 4 outsiders, and wishes to know what fees should be charged from the students and how the amount collected should be disposed of. He states that it is not possible to expect any fees from the art class students as they are mostly poor and that the college students will give up attending the class if they are required to pay any fees and proposes therefore that both the art class and college students should be exempted from payment of fees, that outside students alone be charged a fee of Re. 1 per mensem and that the amount so collected be given as remuneration to the gymnastic instructor. In the Government Training School, Calicut, the Inspector of European and Training Schools proposes also to levy a fee of Re. 1 per candidate.

I consider that this rate which corresponds to the fee levied from gymnastic students in the Teachers' College, Saidapet, is reasonable and that the gymnastic instructor of the respective institutions should be allowed some additional remuneration for the extra work they have to do.

I have the honour therefore to request that you will be so good as to obtain the sanction of Government for levying a fee of Re. 1 from each outside candidate admitted for training in the centres referred to above and for permitting the gymnastic instructors of the institutions concerned to receive the fee amount subject to a maximum of Rs. 10 per mensem the excess, if any, being credited to Government.

I beg to add that a similar arrangement has been permitted in the Teachers' College, Saidapet, in G.O. No. 199, Educational, dated 5th April 1907.

Order—No. 78, Home (Education), dated the 18th January 1917.

The Government sanction the proposal of the Director of Public Instruction to levy a fee of Re. 1 from each outside candidate admitted into the gymnastic training class opened at the Kumbakonam College, the Reformatory School, Chingleput, and the Government Training School for Masters, Calicut, and to permit the gymnastic instructors at these institutions to receive the fee amount subject to the condition that the total emoluments drawn by an instructor in any one month do not exceed Rs. 10, the excess, if any, being credited to the Government.
