Sir,

In my letter R.C.No.3145/16 dated 9-5-1916 I recommended the employment of an additional teacher and revision of the scale of salaries of the staff in the Government Girls' School Gudur, but in their order No.728 Educational Mis dated 3-7-1916 Government while expressing their inability to accept the proposal to revise the scale of salaries of the staff desired me to renew the proposal regarding the employment of an additional teacher in December 1916.

Forwarded to Government.

2. There is no audit objection to the proposal of the Director of Public Instruction being sanctioned by Government.

3. The Director of Public Instruction recommends that the two allowances of Rs.2/- each proposed by him as an alternative measure may be classified as 'local' allowances.

4. If the proposal is approved, provision may kindly be made in the estimates for 1917-18 now with Government.

one on Rs.14, another on Rs.12 and two on Rs.10 each. The Inspectress of Girls' Schools, Central Circle, reports that it has been found quite impossible to fill the last two posts on Rs.10, that as they have been lying vacant for months the school has been working practically with only two teachers and that on account of the inadequacy of the staff, some of the parents have withdrawn their children from the school. She further states that this school is the only institution for girls in Gudur, where there are 627 girls of school going age and that if the school were inadequately staffed its strength would be sure to rise.

From the particulars furnished by the Inspectress of the average attendance of the school for the six months ending with October 1916 I notice that though the strength has been well maintained there has been a decline in the average attendance and that it is in the Infant standard that the attendance has fallen off most mainly owing to the inadequacy of the staff -- and I consider that unless it can be brought up to the mark -- again the strength of the higher standards cannot be maintained or increased.

I have the honour accordingly to request that Government will be pleased to sanction the employment of an additional teacher on Rs.15 per mensem for the charge of the 5th and 6th standards at least temporarily for a period of one year from 1st March 1917 and to raise the pay of the last two posts from Rs.10 to Rs.12 per mensem or to sanction for each of them a compensatory allowance of Rs.2 per mensem from 1st January 1917 temporarily until the introduction of the scheme of reorganization of Government Girls' Schools.

3. The extra charge in the latter case which will amount to only Rs.8 during the current year can be met from the savings under salaries to teachers in Government Girls' Schools.

I have the honour to be,

Sir,

Your most obedient servant.

4. With reference to (ii) ~~the~~ attention is solicited to the notes on p 5 of G.O. No. 728, of the 30th July 1916, in which it was pointed out that if the scale now in force was deviated from in this particular instance on the ground of difficulty to secure qualified women teachers on Rs 10 p.m., it will be difficult to resist applications in regard to other institutions of a similar nature.
