I may mention here that already three members of the Provincial Educational Service are holding the post of Inspector, one, viz. Mr. H. A. Hart permanently and the other two viz. Mr. M. Ramaswami Ayyangar and Mr. S. Rama Rao temporarily. The P. E. S. element is thus more than adequately represented at present on the staff of Inspectors and I do not propose to fill up the vacancy to be caused by V. R. Venkataramu Ayyar's retirement in the Inspectorate permanently until I have sufficiently tested the fitness of the above two members of the Provincial Educational Service for the responsible office of Inspector.

Yours truly

Director of Public Instruction

Home (Education) Department.

Attention is solicited to the instructions issued by the Government of India in paras 2 and 3 of their letter No. 583, dated the 13th June 1916, printed on pages 2 and 3 of G.O. No. 902, Home (Education), dated the 23rd August 1916. The Government of India desire that, when a vacancy occurs in the Indian Educational Service, the local Government should review the comparative qualifications of all suitable candidates. The qualifications usually demanded by the India Office in selecting candidates for the post of Inspector are that they should not be more than 30 years of age and should be Graduates in Honours of some University of the United Kingdom. Weight is given to linguistic talent, capacity for organization, and knowledge (practical or theoretical) of educational methods.

2. Mr. Brierley was born on the 2nd February 1886 and has passed the Cambridge Classical Tripos examination. He appears to have been employed for some time as tutor to the sons of the Raja of Kurappam. Excluding Mr. Papworth, who is now temporarily employed

as additional professor in the Presidency College,
there are only two other candidates residing within
the limits of this Presidency Messrs. B. M. Raju and
W.H.F. Armstrong. Both of them are now employed as
Professors in the Christian College and apparently
the D.P.I. does not consider them suitable for the
post of Inspector. The Director is of course unaware
of the particular merits of candidates residing out-
side the Presidency, and ~~therefore~~ the Government

of India desire to be consulted before any of them
is appointed. vide para 3 of their letter No. 583, dated
the 13th June 1916, printed on page 3 of G.O.No.902,
Home (Education), dated the 23rd August 1916. ~~There~~

~~are however, very few who among them who have applied~~
~~for the Inspector's place.~~

3. It is for consideration whether the Direc-
tor's recommendation may be accepted. The local
Government can make the appointment for a period of
six months under the powers delegated to them in the
letter from the Government of India No 1742, dated
the 10th September 1913, printed in G.O.No. 8-2, Educa-
tional, dated the 23rd September 1913. It should
however be reported to the Government of India with

reference to the instructions in para 2 of their letter No. 583, dated the 13th June 1916, printed on page 2 of H.O. No. 902, dated the 23rd August 1916. It is not clear whether the sanction of the Government of India in the Home Department should be obtained with reference to the provisions of article 773(a) of the Civil Account Code. The Government of India may be asked to accord the requisite sanction if necessary.

4. There appears to be no objection to grant to Mr. Brierley of a salary of Rs.500 per mensem as suggested by the Director.

5. A draft order and a draft letter to the Government of India are submitted for approval.
