Sir, /Through the Accountant-General, Madras/.

(M)

As the sanction accorded in G. O. No.1355 Educational Mis., dated 9th December 1915 to the employment of an additional teacher on Rs.20 per mensem in the Government Hindu Girls' School, Porto Novo, expires on the 5th January 1917, I have the honour to request that Government will be pleased to sanction the continuance of the post for another year from the 6th idem.

2.

2. The Inspectress of Girls' Schools, Central Circle, reports that the strength and average attendance of the school have ^{now} risen from 147 and 96 in September 1915 to 175 and 116 respectively, as shewn in the margin, that the strength warrants the employment of an additional teacher and that the low strength and average attendance of the higher standards are due to the want of an extra teacher. She requests, therefore, that an additional post on Rs.30 per mensem may be sanctioned for the school so that she can secure the services of a secondary grade mistress who will be able to improve the strength and maintain the efficiency of the institution.

The present staff consists of a temporary teacher on Rs.20 per mensem and four permanent teachers, one on Rs.14, another on Rs.12 and two each on Rs.10. Considering the fact that the strength and average attendance have improved since last year the employment of an additional teacher would seem to be necessary, but as the Sixth still continues to be the highest standard, and the strength of this and of the Fifth standard has fallen from 10 and 4 to 7 and 2 respectively during the year, the increase having occurred mainly in the Infant standard, I think that the employment of an additional teacher on Rs.12 per mensem would meet the present requirements. I beg accordingly to request that you will be so good as to obtain the sanction of Government for the employment for ^a ~~the~~ period of one year from 1st March 1917 of an additional teacher on Rs.12 per mensem in the school and to include the necessary provision for the purpose in the Budget Estimates for 1917-18.

3. Provision for the salary of the temporary teacher on Rs.20 per mensem referred to in paragraph 1 supra has been made in the Budget Estimates for the current and ensuing years.

Item (b). From para:2 of D. P. I.'s letter on page 2 R.E., it will be seen that the additional teacher is necessitated by an increase having occurred mainly in the Defiant Standard.
