The Social Reform Advocate,

O. Kandaswami Chetty,
Editor.

264, THAMBU CHETTY STREET,

Madras, E. 10th July 1917.

To

The Secretary,

Home (Miscellaneous) Department,

The Government of Madras,

MADRAS.

Sir,

I have the honour to bring to your notice that we do not receive in this office all the publications that are sent to Editors of newspapers. The Report of the Royal Commission on Education in England which was received by a good many newspapers has not been sent to us. Recently I wrote to the Superintendent of the Government Press, Madras, for a copy of the Report of the Proceedings of the Conference of Directors of Public Instruction and he replied that as it was not one of the E. T. Papers it was not supplied to us. These are two important documents which we should like very much to peruse and comment on. I shall be much obliged if you will order that the above mentioned two publications be sent to us and also direct that all

Government publications (not merely the E. T. papers) which are sent to Editors of newspapers should be supplied to us in future.

I have the honour to be,

Sir,

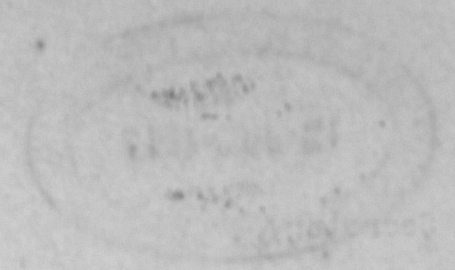

Your most obedient servant,

Chaudaswami Chetty
Editor.
