Please see the note on page 1 and

2. In 1915 the Board of Rev (R.S.) submitted proposals for utilizing the Engineering College buildings for the offices of the Registrar of Cooperative Societies, Director of Agriculture etc. The file was sent up to P.W.D. in Rev. C.O. 2509 C of 11.1.16. It is understood that the P.W.D. have sent the file to Madras and that it will be submitted for consideration in connection with the proposed inspection of the Chepauk buildings.

3. The file put up below relates to the construction of a building for the Survey office. The question arose from the proposal to construct a building for the photographic and zincographic sections of the Survey office. The Hon. Sir Harold Stuart considered that if the P.W.D. Secretariat could be moved to the Fort, accommodation could be found for the Survey Department in Chepauk. The H.M. (Revenue) concurred in this view, observing that "it is desirable to keep the Director of Survey near his Commissioner". The P.W.D. pointed out that even if the Fort extension scheme should materialize it would be many years before the P.W.D. could move into the Fort, so that there was no early prospect of any building in Chepauk being available for the Survey Dept. As, however, the question

building for the
of the photo zineographic studio might be one
till after the war, it was decided to defer further
action for the present. The question whether
any part of the Engineering College buildings
will suit for the purposes of the photo zine-
graphic studio does not appear to have
been considered. If there is accommodation to spare
in the College buildings perhaps this question may
be considered, and the Bd of Res. asked for
remarks as to whether it will be suitable.

(Write to Seattle 7 Jan (25)
after we have seen)

The question of
photo zineographic studio
certainly be raised.
in handily time to
the Bd.

To Dy Secy

The question of locating the offices
of the Dir of Agri, Supt C.V.D & the
Reg of Cooperative Societies in the
Engineering College buildings was
recently under consideration in this
Dpt & the files connected with the
subject were sent w.o. to the Home
Educational Dpt. Subd that the Home
Edu Dpt may be requested to ^{Circulated} ~~submit~~ the files
direct. Home (Ed) through Res UU
11-7-17

All the departments consulted except Judicial, L.M., P.W.D. and Revenue state that there are no proposals at present under consideration for the utilization of the Engineering College buildings. ~~para~~ P.W.D. merely state that the Joint Secretary has, at the request of H.E. the Governor, taken the complete file connected with the disposal of the Engineering College buildings and site of the Principal's quarters to Madras for discussion. Judicial and L.M. refer to the proposals considered in 1913 ~~matter~~ in regard to the future use of the buildings and suggest that the accommodation for the following offices may be considered

- (1) Inspector General of Registration's office
- (2) Office of the Inspector of Factories
- (3) Office of the Sanitary Commissioner
- (4) Office of the Malania Board.

2. The Rev. Dept. state that the question of utilizing the buildings appertaining to the College for the office of the Registrar of Cooperative Societies, the Director of Agriculture etc is under consideration and that the file is now ^{understood} in P.W.D. It is ~~proposed~~ ^{sent down} that it has been ~~sent~~ to Madras ~~for~~ ^{for} It is also suggested that the question whether any part of the Engineering College buildings will suit the purposes of the

 16.7.17

I take it that the present inspection
 is more with a view to utilize the Chapauk
 grounds than the Civil Engineering College.
 However, as, after the proposed offices are
 removed to the Civil Engineering College, it may
 be necessary to find room for auxiliary
 buildings, the files are forwarded to P.S.G.

tal and the surrounding lands this morning by His Excellency the Governor, myself, the Surgeon General, Mr. Stone, and Mr. Murray, it was decided (1) that the hockey ground which lies immediately north of the new nurses' quarters block at the Caste and Gosha Hospital and the Langarkhana which lies to the north of the hockey ground should be made over to the Caste and Gosha Hospital,

(2) that the Inspector General of Police should be called upon to report where the Langarkhana can be removed to,

(3) that the Collector of Madras should be asked to report the cost (approximately) of acquiring 5 or 6 acres of land immediately opposite the Caste and Gosha Hospital on the west side of the Bells Road, and

(4) that pending the reply from the Collector of Madras regarding the possibility of acquiring land on the west side of Bells Road for the extension of the Caste and Gosha Hospital the question whether the family quarters now belonging to the Engineering College and connected buildings and the Recreation ground of the Engineering College should be made over to the Caste and Gosha Hospital or whether it should be otherwise disposed by being given to the Presidency College shall lie over.

2.

The necessary references to the Collector of Madras and the Inspector General of Police should be made and copies sent to the Director of Public Instruction and the Surgeon General for information.
