From (Name) The Hon. Mr. J. H. Stone, M.A., F.R.H.S.C.I.E.,
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
Home (Education) Department.

Sir,

With reference to my going to Simla for the Conference of the 20th and 21st instants, I have the honour to point out that this will involve considerable delay in the disposal of my routine work and the overtaking of large arrears when I return. Assuming that files are regularly despatched from here to Simla and that I only stay there the minimum necessary number of days I shall be eight days in arrears on my return as regards what I may call routine work besides having much other work to do on pending

Reference of 1032 Home

Please advise whether Local
Govt. can ~~place~~ ^{send} Mr. Stone as
on deputation for period of
his absence from Madras
and appoint another officer
to act for him. Also whether
Mr. Stone can take a peon
with him to Simla at public
expense.

schemes of pressing importance. In the crowded state of
trains at present I am not likely to be able to do much work
in the actual course of my journey as I am not allowed ~~my~~ ^{any}
reserved accommodation even if I could arrange with certainty
for files reaching me at stations.

In these circumstances I request Government to be
good enough to consider whether I cannot be placed on
deputation for this conference from the 15th instant till
my return to Ootacamund and Mr. Grieve be appointed to act
during my absence. The additional expense involved would
be small, ~~some~~ Rs. 200, acting allowance. ~~Mr.~~ ^{Mr.} Grieve would
during this time in addition to the work of Director of
Public Instruction make what progress he could with the
Quinquennial Report and I do not anticipate that it would be
necessary to ask for prolongation of his period of Special
duty and even if this should prove necessary the additional
expense would be trifling.

Mr. Grieve is of course Junior to several officers,
but I do not think ~~that~~ they would have any legitimate
grievance since the proposed arrangement is merely to meet
an exceptional and temporary state of things. Arrangements
of a similar kind have been made lately, as for instance, when
Mr. Harvey acted as Secretary, Home Department.

If my proposal is approved I also request sanction
to take with me to Simla one of the peons of this office.

I have the honour to be,

Sir,

Your most obedient servant,

Johnstone

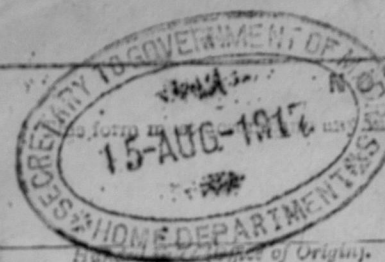

Director of Public Instruction.

CNo. 2628A from the D.D., no 34, & 9.8.17

[Subject - Placing the D.D. on deputation for the conference to be held at Simla]

It is submitted that though the local Govt. are competent to place the D.D. on deputation, the case in question will be governed by the general orders of the Govt. of India who convene this conference. That Govt. do not seem to contemplate that the Directors and other officials invited for the conference should be on deputation. Their sanction will therefore be necessary for placing Mr. Stone on deputation. ~~The Government General may however be consulted by telegram.~~

2. Mr. Greve's special duty begins on the 15th and Mr. Yates has been appointed as acting Dy. Director in his place. Of the two, Mr. Yates is senior by a few months. Perhaps it would be desirable to ask Mr. Greve to help ^{Mr. Yates} in the discharge of the duties of the Director, the communications to Govt. being however signed by Mr. Yates as Dy. Director. ~~It is submitted that~~

~~the possibility of this arrangement.~~ In that case, no acting allowance can be granted to Mr. Greve.

CNo. 2662A; from the A.G. Telegram of 14.8.17

The A.G. states that ~~the Government of India~~ ^{the Govt of India} does not appear to be that the officials in question should be treated as on deputation during absence from headquarters as halting allowance is not usually admissible during deputation, and that their sanction will be necessary for granting travelling allowance to the person whom the Director proposes to take with him. In these circumstances the proposals of the Director in his current letter ~~are~~ ^{are} inadmissible, ~~especially as~~ ^{as} the Govt. of India are not likely to accord any special treatment ~~for~~ ⁱⁿ the present case. ~~Even if~~ ^{is made to keep} an application ~~may be made~~ ^{may be made}

2. As for carrying on the Director's work during his absence, it is for consideration whether the Director may be asked to

I understand that the D.P.I. is leaving ~~for~~ for Simla today or tomorrow. It may not therefore be possible to consult him further on the point. Deputation seems out of the question. We may inform the D.P.I. by telegram accordingly and tell him that his taking a peon with him needs India's sanction. He may be left to make his own arrangements for carrying on work during his absence in the best manner possible under the circumstances.
