Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction, Madras.

To—the Secretary to Government, Home (Education) Department.

Dated—the 12th July 1917.

No.—R.C. 921.

I have the honour to submit herewith the plans bearing Nos. 212-A and 212-B with estimates amounting to Rs. 8,400 for constructing a building for the C.M.S. girls' boarding school, Ellore, Kistna district, and to recommend that a grant not exceeding one-half of the estimated cost may be sanctioned, to be paid when funds become available. The necessity for the proposed building is explained in paragraph 3 of the enclosed application. The Inspectress, Northern Circle, reports that the school is to be a boarding and training school combined and supports the application.

ENCLOSURE.

Application for aid towards the cost of the new C.M.S. girls' higher elementary school at Ellore in the district of Kistna.

3. Character of and necessity for the proposed work in detail.—For character of the work see detailed plans and estimate already sent.

Necessity for the new building—

(1) The rise of the higher elementary department—

On 31st March 1912—there was 1 pupil.

„ 1913—there were 7 pupils.

„ 1914— „ 16 pupils including Bezwada girls.

„ 1915— „ 13 pupils excluding „

„ 1916— „ 16 pupils.

Now— „ 18

In June 1917—There will be probably 26.

(2) The unsuitableness of the present building for school purposes.—The present building consists of one hall 44' 9" × 17' and a shallow verandah. The height of the walls and the lack of ventilators makes it undesirable to partition the hall into class-rooms.

(3) The desirability of opening the infant and first standards.

(4) The probable increase in the number of boarders up to one hundred.

(5) The urgent need of further dormitory accommodation.—The present dormitory is insufficient for the present number of boarders (58) but the old school-room would double the sleeping accommodation.

2. The inadequacy of the present building for the purpose

The present building consists of one hall 44' 9" x 17' 6" and a shallow verandah. The height of the walls and the lack of ventilators make it undesirable to partition the hall into class rooms 11' x 9' 4".

3. The desirability of opening the school to a first standard.

4. The probable increase in the number of boarders to one hundred.

5. The urgent need of further dormitory accommodation. The present dormitory is only 11' 6" x 17' 6" and can accommodate only 100 pupils, but the old school is in a state of decay and the sleeping accommodation is inadequate.

NOTE.—(1) This need not be given if a reference to a history previously given can be furnished.
(2) The names and designations of the persons who form the committee of management should be specified.

(d) Steps, verandah posts and the plinth line are omitted in the plan. They should be as shown in green on D.P.I. No. 212-B.

(e) The total amount of the estimate remains unaffected by these alterations.

III. It is recommended that the walls marked CD and EF on D.I.P. No. 212-B may be shifted to positions GH and KL, respectively, in which case two rolled steel joists provided in the latter places (as ridge beams) would be saved.

IV. When compared with the present market prices, the rate (Rs. 120) per ton for rolled steel girders provided in the estimate is very low. Any excess on this account may be met out of contingencies.

V. The Superintending Engineer should satisfy himself as to the suitability of the foundations provided in the plan and the estimate.

INSTRUCTIONS FOR THE SECRETARIAT.

(a) If a paper is marked to be printed urgently, the Superintendent of the section concerned should sign the Press slip. The Superintendent should exercise a careful discretion in the matter.

(b) Each letter, memorandum, or order, or set of orders, in the file of correspondence should be headed in succession with the Roman numeral I, II, III, etc., the number being written in red ink or blue chalk above the item. The particular papers to be printed in the special issue-copies should be indicated by the Roman numeral (I, II, etc.) by which that item has been headed in the correspondence file. All matter, including marginal remarks or references, to be printed should be written in ink and matter which should not be printed should be encircled. Initials and signatures that are not quite legible should be re-written distinctly.

(b¹) For rules regarding printing of notes, see rule 315 of the office Manual.

(c) The number of copies and the details of distribution should be filled in by the Superintendent or Referencer concerned.

(d) In the absence of special instructions to the Press to keep matter standing for a specified period, ordinary papers of 8 pages and under will be kept standing for one week, and larger papers for two weeks only. The type of notes and of all confidential papers is distributed immediately after striking.

(e) This slip, properly and completely filled in, should accompany every paper sent to Press; it will be returned by the Press when proofs are furnished; it should be sent to the Press when a call is made for revised proofs or when a corrected proof is sent for striking. When finally returned by Press it should be filed with the original order or letter.

INSTRUCTIONS FOR THE PRESS.

(a) If, in the opinion of the Superintendent of the Press, a paper has been marked urgent unnecessarily, he should send the Press slip to the Registrar with a remark to that effect.

(b) Unless a note to the contrary is made against the matter, pencil entries should not be printed. The Superintendent of the Press may bring to the notice of the Registrar any instance of incomplete or careless editing.

(c) Signature copies of letters to the Secretary of State or to the Government of India should be printed on hand-made paper.

(d) This slip should be returned by the Press to the Secretariat when proofs are furnished; it will be sent back to the Press when proofs are returned corrected and should be finally returned to the Secretariat when struck-off copies are supplied.

(e) The names of the Secretary and Members should be printed in full when they occur on the right hand side, only the first time when they appear on the left side, the initials alone being printed later.

TO PRESS, MADRAS OOTY.
