Resolutions:—

20101986-847 (A)

I. With reference to the communique of the Madras Government issued on 20th July after a conference held with several representatives of the Mussulman community with a view mainly to settle the question of location of the proposed Osmania College, this association begs to express its entire agreement with the opinion of the said conference accepted as it is by the Government, that the first Mussalman College should be established at Madras, where it will best serve the needs of college education of the Mussalmans of the Presidency.

II. The association desires to assure the Government that the Osmania College the establishment of which at an early date has been made possible by the munificent gift of His Highness the Nizam, will have enthusiastic and liberal support of the Mussalman community of Southern India, which hopes, through the agency of a college controlled and managed by itself, to exercise effectively upon Muhammadan students receiving higher education the spiritual and moral discipline of Islam.
