Mr. Syed Abdul Qader was a student of the Presidency College
 for the last five years 1912 to 1917. All these years he was attend-
 ing my Philosophy Classes. He has just passed the Philosophy ----
 Honours' Examination. He would have come out in this examination --
 with greater distinction but for Indian Philosophy, a subject pre-
 senting peculiar difficulties to a non-Hindu student. He struck me
 to be an intelligent student, with an able mind and habits of appli-

Honorary Captain Oosman Khan

Extract from the "MADRAS MAIL" 20th June, 1893

We regret to have to record the death from kidney disease on Sunday at Triplicane of that fine old soldier Subadar Major Sirdar Bahadur Oosman Khan, for many years native A.D.C. to the Governors of Madras. The Sirdar Bahadur entered Her Majesty's service as a Private in the 6th Cavalry on the 8th December, 1840, and retired on a well earned pension on the 8th December, 1891, after a long and meritorious career of 51 years. He saw plenty of fighting in the early portion of his soldiering days. He served in the Saugor and Nerbudda territories in 1842-43 and again from November, 1857, to February, 1858. He was present at the affairs of Sehora, Deebriah, Bustar and Hurryah and the battles of Tulseepore and the reduction of Bundelcund, for which he received the Mutiny medal and clasp. He was transferred to the Governor's Body Guard in 1861 and on the 12th November, 1869, was appointed Native A. D. C. to H. E. the Governor of Madras, a post which he filled with credit for 22 years. During his incumbency of this post he was fortunate enough to attract the attention of His Royal Highness the Prince of Wales, and Major Bertie Hobart, Military Secretary to the Duke of Buckingham was desired to express to him the Royal satisfaction at the duties he performed in attendance on the Prince of Wales. He was selected in 1877 to accompany the Duke of Buckingham and his Staff to the Delhi Assemblage. Successive Governors from Lord Hobart to Lord Wenlock have placed on record their appreciation of the excellent service rendered by the deceased officer, and one and all with whom he came in contact bear testimony to his splendid character. He was admitted to the Order of the British India on the 5th June, 1868, and the latest honour conferred on him was so recent as the 8th March last, when he was given the rank of Honorary Captain in the British Army. He was 69 years of age at the time of his death, and until recently carried his age well. But about a year ago he was attacked by the disease to which he eventually succumbed. The news of his death will, we feel sure, be received with regret by the members of His Excellency's staff and by the large circle of acquaintances with whom his duties at the Government House brought him into contact.

H. R. H. THE PRINCE of WALES'S APPRECIATION

GOVERNMENT HOUSE,
21st December 1875.

DEAR OOSMAN KHAN,

I am desired by the Duke of Buckingham to tell you that His Royal Highness the Prince of Wales was graciously pleased to take special notice of you and to express His Royal Highness's satisfaction at the duties you performed in attendance on him, and at the zeal and fidelity His Royal Highness had heard you have always exhibited in the performance of your duties. It is a great pleasure to me to be the channel for communicating this high commendation to you.

I remain,
Dear Oosman Khan,
Yours very truly,

KENNIE HOBART, MAJOR,
Military Secretary to His Grace the Duke of Buckingham
