Extract from the resolutions passed by the Sri Vaishnava
Conference held in Madras on the 28th of
December 1916.

.....

- (1) This meeting of Sri Vaishnava scholars and Pandits and other Hindus of different sects and castes deeply deploras the treatment meted out to Sanskrit in the present scheme of Secondary and University education in this Presidency and resolves to request the Director of Public Instruction and the Government of Madras to restore Sanskrit and the Vernaculars to the position they occupied in the Pre-University-Reform days.
- (2) This meeting views with apprehension the reported intention of the Government to prescribe text-books for Vernacular Translation and Composition in the Secondary School Leaving Certificate Course, as such a step will assuredly scarge away even the few pupils who now take Sanskrit (C.Group) from doing so, and requests that in case such text-books are prescribed, simple Sanskrit prose and poetry be also prescribed and Sanskrit Translation be allowed as an alternative course to Vernacular Translation and Composition.
